

REVERE MEN'S GOLF CLUB (RMGC)

RMGC is a Sun City Anthem club and is governed by Association Chartered Club Guidelines and Rules. RMGC members must be an Association member or an individual holding a valid SCA Identity Card.

The purpose of the club is to develop and coordinate the golfing activities and play dates for our membership. Our officers work closely with the Revere Golf staff to ensure that golf days are organized and responsive to our membership.

The club plays each week, generally on Wednesday, and schedules a variety of golfing formats from individual play to team events. USGA Rules of Golf along with Local rules govern play. Most Club events use the World Handicap System (WHS) which enables golfers of all skill levels to compete on an equitable basis.

The RMGC website is the focal point for all men's club information, events, signups, score posting, educational material, and other club information.

There is a General Meeting once a month to conduct Club business. It has officer reports, data on upcoming activities, other items that may be of interest, and allows member feedback/input. The Revere Golf staff may also provide updates on their plans for Club and course operation.

JOINING THE MEN'S GOLF CLUB:

You may join the Revere Men's Golf Club by filling out the Membership form available on this website or at the Revere Golf Course Pro Shop. Complete the membership application, attach a check (no cash) and turn into the Pro Shop or mail it to the club Membership Officer (his name and address are found on the membership application). Once your application has been processed, you are eligible to play in RMGC events and may compete for prizes when your Handicap Index is established.

COST OF JOINING THE CLUB

The membership cost is currently \$70.00 per year, which pays for your membership and maintaining your World Handicap Index. You have the option of joining the "Hole-in-One" (HIO) fund for \$15.00.

Why the HIO Fund?

It is traditional for a player who scores a hole in one to buy a drink for all other players in the event. This tradition is followed at RMGC. The HIO Fund is a kind of insurance to help offset the cost of the drinks. Participation in the fund is optional, but the drinks are expected.

Please visit the Rules page on this website to view the complete Hole in One rules.

ESTABLISHING A WORLD HANDICAP INDEX AT RMGC

The Club is a member of the Southern Nevada Golf Association (SNGA) and uses the USGA Golf Handicap Information Network (GHIN) for establishing and maintaining members' WHS handicap index. If you have an active GHIN number, it will be transferred or added to RMGC for handicap maintenance. If you do not have a WHS Index, you must establish one by playing and recording at least three (3) scores.

These 3 rounds can be played anytime at any golf course, including on Men's Day events or at the Revere Golf Course. Be sure to have the scorecard from the course you played so you can post those scores along with the slope and rating for the tee played. You may post on the web at GHIN.com. Any new member without a handicap index is encouraged to play in Men's Day events for the purpose of establishing his index. Until a player has an index, he will not be eligible to compete for prizes.

MEN'S DAY PLAY

A member who wishes to participate in a Men's Day Club event is required to sign up in a timely manner and participate as planned. Members may sign up via an email invitation that is sent out each week or by visiting the sign-up portal on the website. See "Standing Rules" on the Rules page on this website to learn more about sign up and rules of play on Men's Day.

Other Information you need to know:

There is a plethora of operational, educational, and social information on this website. It is updated regularly with current information and/or topics. Examine all areas of the website to get a full picture of the club.
