

Hole in One (HIO) Insurance

Hole in one insurance is optional and may be purchased upon joining RMGC or when renewing your membership annually. The current cost is \$15.00.

A participant in the HIO fund who scores a hole in one during any Men's Club sanctioned event* held at the Revere Golf Course will receive a check for \$250 to offset the bar bill. Note: the bar bill may be more than \$250.

HIO is an annual fund starting with the first event in January and ending with the last event in December. At the end of the year any remaining HIO funds are divided by the number of holes in ones and awarded to their players.

*The Hole in One contest during the Member-Member that has 8 holes is not covered. A Hole in One on any other hole during the Member-Member is covered. The Foundation Assisting Seniors (FAS) and the Memorial at Revere annual tournaments are not covered.
