

Revere Men's Golf Club (RMGC)

A Chartered Club of Sun City Anthem

About RMGC

The Revere Men's Golf Club (RMGC) is a vibrant community of Sun City Anthem golfers who enjoy weekly play, friendly competition, and club camaraderie. Governed by Association Chartered Club Guidelines, RMGC works closely with Revere Golf staff to organize events that are responsive to member interests.

We play every Wednesday, using a variety of formats—from individual stroke play to team events. All play is governed by USGA Rules of Golf, Local Rules, and the World Handicap System (WHS) to ensure fair competition across all skill levels.

Annual guests may join with an RMGC sponsor.

- Sponsors must be current RMGC members in good standing

How to Join

- Complete the Membership Application (available on the RMGC website or at the Revere Pro Shop)
- Submit a check for \$100—no cash, please
- Drop off at the Pro Shop or mail to the Membership Officer (details on the form)

Once processed, you're eligible to play in RMGC events and compete for prizes once your handicap index is established.

Establishing Your World Handicap Index (WHS)

RMGC uses the USGA GHIN system through the Southern Nevada Golf Association (SNGA) to maintain member handicaps.

New to GHIN

To establish your WHS Index:

- Play and record three (3) 18-hole rounds at any golf course
- Include the scorecard, tee box played, and course rating/slope
- Post your scores at GHIN.com or via the GHIN app

Once your index is active, it will be linked to RMGC and updated automatically.

Already Have a GHIN Number

- Your existing handicap can be transferred to RMGC
- Just include your GHIN number on your membership application

No Handicap Yet

You're welcome to play in Men's Day events while establishing your index.

- You won't be eligible for prizes until your WHS is active
- We encourage new members to play early—it's the fastest way to get your index set
