Subject: 2023 Annual Car Show Event

To:

The Knights of Columbus Balboa Council is a fraternal benefit society based in Newport Beach with the mission to support and strengthen local families and our community. We contribute to and provide support for many programs including, Serving People in Need (SPIN), Sharing Our Selves (SOS), Be Well (NPB Homeless Project), 19h Street Food Kitchen, Food for Families, American Wheelchair Mission, and much

more. The funds we raise go directly to those we serve through our charitable programs. So, thank you for your support and you can be proud that you are helping to build a better world.

Our annual fundraising events – the annual *Classic Car and Truck Festival and Auction* (10/27-28/2023), will now be supported by the City of Newport Beach as an annual event. This year’s event has been expanded to two days, and with the City’s help the event will become one of the premier events in SoCal.

In addition to the *Classic Car and Truck Festival*, we have added for 2023, a new Snow/Surf Expo and Sales to be held in conjunction with the Festival. This one-of-a-kind event for the City of Newport Beach is an exciting new feature.

Our work is critical in our own community as homelessness and overall economic impact on our society increases. We believe that our sponsors and benefactors help us work to improve humanity and showcase our community of Newport Beach as a leader in supporting these charitable causes.

It is our goal to double our fund-raising goal this year. We thank all the great companies and individuals who have helped us in the past and challenge all businesses in this community who have not yet participated to support us now. Our organization is made up of business executives and business owners just like you. Help us today make our dream a reality. Please find our marketing materials and sponsorship information below and sign on.

Thank you for your kind consideration.

Very truly yours, and much peace,
