

A vibrant, festive illustration for a St. Patrick's Party. At the top, a green leprechaun hat sits on a green banner. Above the banner is a plate of gold coins and a rainbow arches across the sky. The background shows a church at night with warm lights and string lights hanging in the foreground. In the center, a group of Irish dancers in traditional green and white costumes are performing a jig. To the left, a man in a suit plays a violin and another man in a kilt plays a guitar. In the bottom left, there are glasses of Irish coffee and whiskey. In the bottom right, a large plate of food including corned beef, cabbage, and potatoes is shown. The entire scene is decorated with green shamrocks and a warm, celebratory atmosphere.
