Club Meeting: Lions Park Clubhouse, 7:00 pm, Monday, November 9, 2026
Board Meeting: Time and place will be decided at the club meeting.

President's Message:

Hello members,

So, torrential rains that hit our area have put a damper on most hunting. However, we were fortunate to have a hunt at a by-permission site in town, as well as the Night Hunt at our October meeting. I want to thank all the members who came out and made these hunts a success.

Our November meeting will be a very important meeting and I want all members to attend. We are preparing for our Christmas dinner in December and we need your input as to who can attend and how many others will be with you. It will be a pot luck and we would like to get an idea on what you may be bringing. There will be a White Elephant gift exchange and this activity will be explained in November.

Remember that the Raffle Board is still open. Also, please prepare your Find of the Month wins for December's Find of the Year voting.

I hope everyone can come and add your input to the meeting.

Thanks. Don

Secretary's Report:

UTC October 12 Minutes, 2026

President Don Rodarte called meeting to order, and led our members with the Pledge of Allegiance, followed with a prayer. Duane Renfro was ill.

Marilyn DiPrimo gave Treasurer's Report. There were no changes, the Treasurer's Report was approved as read.

Don announced there are still some Club T-shirts to be picked up by those who ordered them.

Don encouraged members to hand out flyers to friends and neighbors, and send them by email and social media, to promote new membership,

The raffle board has a few empty spots. A limit of 5 squares per person may be purchased, to give everyone a chance to enter the drawing.

The metal detecting at South 9th street was very productive. Don will inquire to see if it can be held again.

The Christmas Party, pot luck and white elephant exchange, will be held on December 14th. Details to follow next month.

A final tally for Find of the Year will be conducted. All Find of the Month winners should bring their Finds to be voted on, and Hunter of the Year.

Don would still like to involve the community in an instructional event, such as metal detecting or a rock presentation, which will help promote interest in new membership.

The October winner at the Finds Table was Vince DiPrimo with his broach.

We had a very nice evening for the Night Hunt. All coins but 3 were found! Refreshments were provided.

Meeting was adjourned.

Find of the Month:
