### **President's Message:**

Hello members,

I would like to thank everyone for the attendance we have had so far this year.

The recent metal detecting presentation for the Scouts went extremely well with so many volunteers. The Scouts had a great time.

We have an upcoming series of events including a night hunt at our May meeting and a memorial hunt on May 24<sup>th</sup>.

We have our order in for club shirts and hats printed with the new logo which turned out really nice.

I am sending a new copy of the treasure hunt and we have a new revised membership list. The latest treasure hunt clues are available as a PDF in the Documents section at our club website.

So, I hope the club continues to grow and we can get out and do some detecting together, See everyone in May ...Don
