Club Meeting: Lions Park Clubhouse, 7:00 pm, Monday, March 10, 2025

Board Meeting: Time and place will be decided at the club meeting.

President's Message:

Hello Treasure Club Members,

I was very happy to see attendance improve now that the weather is improving. It's so nice to see you all and hope the trend continues. I want to congratulate Sandy for locating the token and receiving the Silver Eagle. Along with Deb Hyatt, they got out and were rewarded for their efforts.

Sally Johnson from the Historical Museum will be coming out to give a presentation this March meeting. We have a great schedule of events coming up, and hope everyone will be able to join in the fun.

See you all soon.....Don

Secretary's Report:

UTC Minutes

Monday, February 10, 2025

President Don Rodarte called the meeting to order with the Pledge of Allegiance led by Duane Renfrow followed with a prayer by Don.

On behalf of all of us, Don welcomed back a number of our members who have been absent recently due to health issues. He also reported that his brother's condition has been declining.

Secretary Sandy Bliss read an abbreviated Treasurer's Report, provided by Don, for the meeting of Monday, January 13. The report was approved as read. In the absence of Treasurer Marilyn DiPrimo, Don read the Treasurer's report and it was also approved as read.

Don reported that the City has received the Club's rental fees for all of our activities for 2025. Reminder: Annual membership dues of \$24 per family are now due.

The coming year offers many opportunities for the Club to participate in presentations for the youth of our city. The presentations are very popular with the youngsters and the parents! Volunteers are always needed and are much appreciated.

Don has requested a speaker from the Montrose County Sheriff's office to share the status of crime in Montrose. He has also offered them our metal detecting help.

Deb Hyatt shared that a long time resident of Montrose, Rick Dunlap, recently passed away. Rick served 3 terms as Montrose County Sheriff before retiring.

Don announced that the treasure hunt he presented to the club more than a year ago has finally been solved. Two members worked as a team to locate the token. They said it was the encouragement they received from each other that kept them searching. Their efforts paid off. Don awarded each of them...Deb and Sandy... with a silver coin.

The Rock & Mineral Show at Heddles Recreation Center in Delta will start on June 7th. Don asked members to share any ideas they might have for possible locations for a Club hunt.

Duane and Don conducted the club raffle. Ron Pottberg won Find of The Month with his locket.

Many thanks to Deb for the coffee...and everyone who brought the delicious refreshments.

The meeting was adjourned.

Birthdays in March:

2 Ron Haglund
13 Susan Pottberg
14 Kim D'Ambrosio
27 Carole O'Donnell

Wisdom:

If your coil is high above ground with the tip of the coil higher than the back, this will cost you good finds. Keep the coil level and close to the surface. Let your detector do its job.
