Club Meeting: Lions Park Clubhouse, 7:00 pm, Monday, June 8, 2026

Board Meeting: Time and place will be decided at the club meeting.

President's Message:

Hello Members,

I want to thank everyone for attending May's meeting. It was a great turnout and having the club shirts and hats arrive in time for the meeting was perfect. The shirts featured the club logo in large print on back with a small logo and name in front, everyone really liked how they turned out.

The meeting did not go as planned, as I was wanting to have a night hunt but postponed it due to time running late. We have the Memorial Day Hunt coming May 24th. 2pm to 7 Lions clubhouse, so we will be able to enjoy a hunt then.

Presentations for local youth groups will be starting soon, dates and times will be made available soon.

Marlene Mitchel attended the meeting to report Tom Davis had passed on May 5th due to his bout with cancer, our thoughts and prayers go out to the family. Sandy has been under the weather also and has stated she may not be attending meetings for awhile, not the same without her with us.

I want to thank Dave Lemann for his helping Eileen with the Finds Table, and congratulations to Jayce Reed for winning Find of the Month with his agatized rock.

Thank you to all the members who brought snacks and everyone who helped set up and teardown for the meeting.

Oh, by the way, the treasure hunt was solved and token located by Jayce Reed, time to start a

new hunt. Congratulations, Jayce.

Stay safe and we will see everyone soon.....Don
