Club Meeting: Lions Park Clubhouse, 7:00 pm, Monday, October 13, 2025

Board Meeting: Time and place will be decided at the club meeting.

President's Message:

Hello Members,

Just a friendly reminder of our meeting Monday, October 13th, Lions clubhouse at 7pm. We will be discussing our plans for our Christmas party in December.

We are also having a Night Hunt that evening. Dress warm, bring your detectors and pinpointers, and please make sure your batteries are good.

The Finds Table has been looking pretty good and I hope it continues.

I am also trying to get permission to rockhound a local area with beautiful, crystalized quartz. Fingers crossed

I really hope to see everyone come out enjoy the evening.

See you soon.....Don

Secretary's Report:

UTC Minutes of September 8, 2025

President Don Rodarte called the meeting to order with the Pledge of Allegiance led by Duane Renfroe, and followed with a prayer by Don.

Two guests from Georgetown, Ohio, joined us...Sandy's daughter and son-in-law, Cindy and Jeff Bissantz.

Don thanked everyone who came out for the Club's annual picnic and hunt. The potluck was fantastic and the hunt had everyone receiving coins and prizes.

Since our annual picnic took the place of our monthly meeting, there were no Minutes for August. However, Treasurer Marilyn DiPrimo read two Treasurer's reports (for months of July and August) and both reports were approved as read.

Don was happy that several Club members were able to join him recently at the Claim. They explored the Claim and its location...and some even tried prospecting.

Don now has business cards and flyers with the new colored logo available to anyone wanting them. And if anyone would like to have Club hats or shirts, let him know.

The Montrose Library is holding a library card membership drive and our Club was asked if we would like to set up a booth to promote our Club. Don said our Club's date is set for **September 18th from 4:30 to 6 pm.** Business cards, flyers and a small display of our hobbies will be presented.

Don was recently contacted by a resident of Delta who had lost a wedding ring and prescription glasses at the home. Don found the glasses, but the ring is still missing. The owner has granted us permission to come and detect his property. Don will keep us posted on a date.

Don reminded members that **October will be a night hunt** (weather permitting), so be sure to dress warm. Detectors and pin pointers will be needed.

Much needed larger cabinet space in the Club House kitchen was recently acquired by Don. A very big **Thank You, Don**!!!

Duane and Vince conducted the Club Raffle.

Eileen announced that **Marilyn DiPrimo won Find of The Month** with her beautiful ring.

A huge **Thank You to Deb** for the coffee and to all who brought the delicious treats.

The meeting was adjourned.
