Board Meeting: Time and place will be decided at the club meeting.

President's Message:

Hello members,

Well, it's been a while since I last greeted everyone. So much going on, it's hard to keep up. I want to thank everyone for all the help and volunteering you have given to the club for the recent presentations we have been doing. Couldn't have done it without you.

The Club Picnic was another huge success, and it was great to see everyone. The food was plentiful, the hunt turned out to be lots of fun and the weather was perfect at last.

Have plenty of ideas for the future. Planning has its challenges, but we will do the best we can starting with a night hunt in October and promoting the club to the community. I just had a visit with a group that mentor's kids in this area and they would love to have a presentation for kids. The club now has had 7 kids participating in club meetings and events which is awesome. They're the future for our club.

I have to admit the club does not feel the same without Deb and Sandy and I miss them quite a bit. Will make effort to visit Sandy and keep up with her and others.

See you all soon Don
