ACH160

AIRBUS

ACH160

Effortless elegance

Ultra-modern, fast and agile,
with a stylistically demanding design
and the highest possible levels of comfort.
The quintessential ultimate helicopter.

A unique
emotional
impact

Perfect forms with elegance,
power and cutting edge
technology.

The ACH160 represents an impressive
combination of power and beauty, a balance
between elegance and superior performance.

You're shaping
the future, with each
day and every choice.

Shape it with your choice of ride, too.
Its arresting shapes speak visibly –
the power of imagination.

Breakthrough in every sense, the ACH160 embodies a lifestyle like no other, a vista yet to be created.

Live the dream as it's never been lived.

The ACH160 is
the most modern
interpretation
of the Airbus vision.
Leading edge styling
for exceptional
performance.

Beyond
beauty —
a game
changer

The interior
is a destination
in itself.

ACH160 wraps its
passengers in comfort,
providing pampering,
privacy and freedom.

The ACH160's
interior offers everything,
except compromise.

This is how
exceptional
feels.

The Airbus Helicopters
Design Studio and Pegasus
Design worked together
to create a timeless
and sophisticated interior
that holds your attention.

Watch bright
landscapes
flash past.

Through expansive
windows, swaths
of light create a refined
environment for the eye
and soul.

The cabin integrates advanced technology with carefully crafted interiors. The result is an intuitive onboard experience for business or pleasure.

Technology works best when it goes unnoticed.

Step inside and you're welcomed into a private interior that showcases our supreme craftsmanship – the finest leatherwork and wood veneers, the softest handmade carpet.

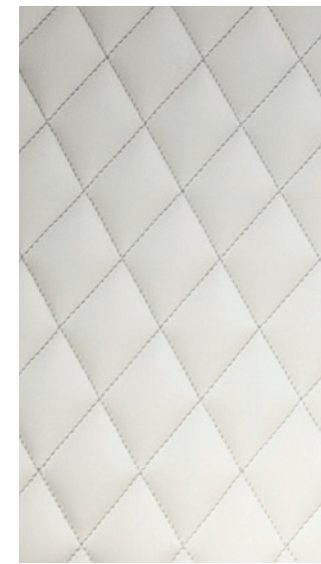

Hand-built
with you
in mind

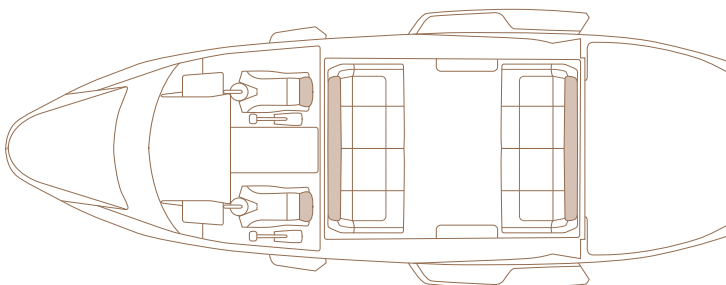

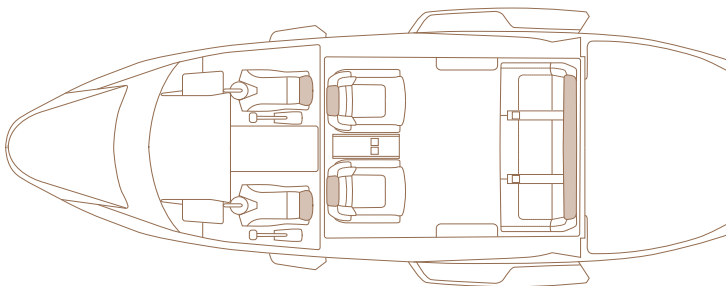

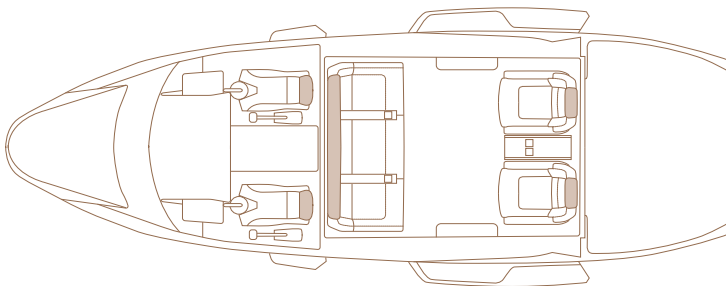

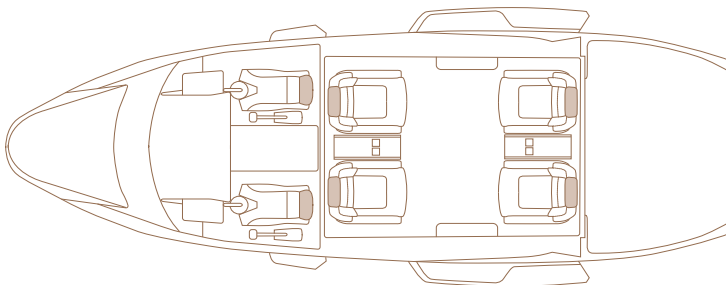

Every detail matters - the eight coats of wood varnish, the finesse of the book matched veneers.

This is a product that blends quality, comfort and style, reflecting your personal taste.

An ACH160
with your signature
touch.

A masterpiece of simplicity

Designed with safety in mind,
the latest Helionix® flight deck gives
your pilot control, and you the confidence
of a perfect flight for family and guests.

A class-leading combination
of range, speed, and reliability.

Simply avant-garde.

The ACH160's design, laying claim to sixty-eight new patents, sounds the clarion call for innovation — outperforming expectations.

Up to ten
passengers

Maximum endurance:

4 h 30 min

Maximum cruise speed:

155 kts

Important
to you,
essential
to us

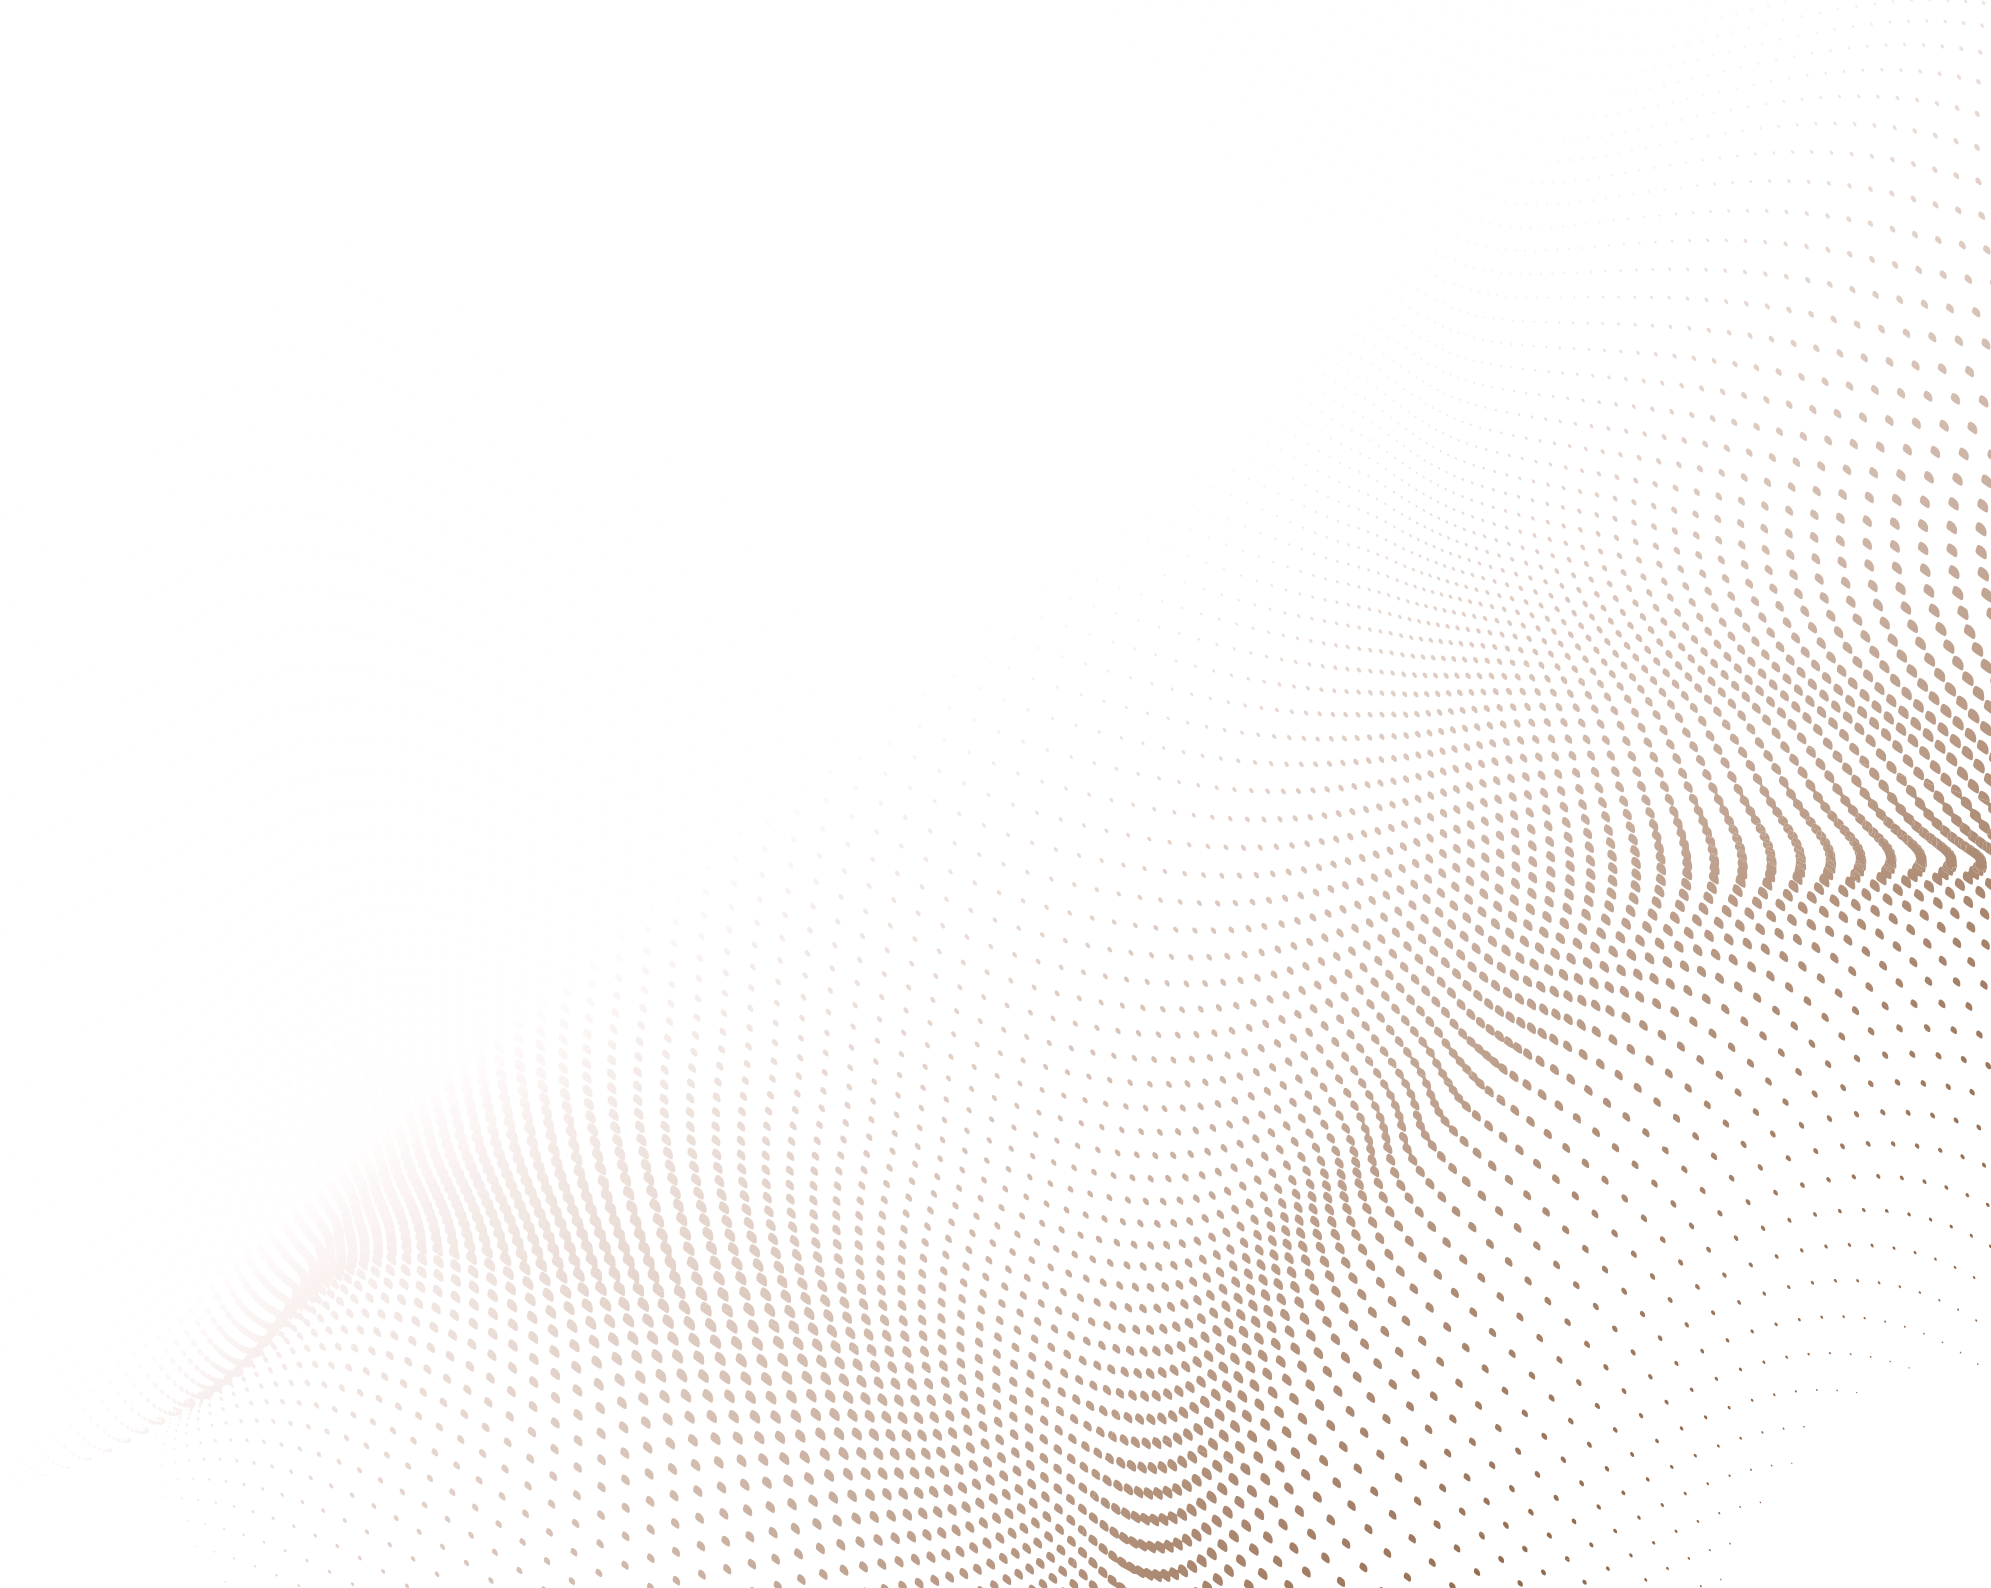

Every ACH helicopter is unique.
They are as unique as each
of our international customers, distinct,
discriminating with superlative standards.

Owning an ACH helicopter is a great responsibility – and we feel
the same responsibility towards our customers. After all, striving
for helicopter perfection includes striving for service perfection too.
