

## *Jordan*

Citizenship by Investment Program

The Hashemite Kingdom of Jordan is strategically positioned at the crossroads of Asia, Africa, and Europe and is a business-friendly location. Jordan strikingly combines the ancient and the modern worlds, from its historic archaeological site of Petra to its capital Amman, the country's economic, political, and cultural center. Amman is characterized by its diverse people and varied architecture, and Jordan is a relatively peaceful and stable country in a tumultuous region. Access to Jordanian citizenship is therefore appealing to applicants from nearby countries faced with socio-political uncertainties.
