Procedures

There are different categories of residence permits available, with a distinction between permits for EU or EFTA nationals and non-EU or non-EFTA nationals. Applications from EU or EFTA nationals are straightforward and usually handled within just two–four weeks, due to a Free Movement of Persons Agreement between Switzerland and the EU. Procedures for non-EU or non-EFTA citizens are far more complex. For wealthy persons with no intention to execute gainful occupation in Switzerland, the Swiss Residence Program is a straightforward option.
