

United Kingdom

Innovator Program

The UK is an attractive destination for business and private residence. Its capital London has the highest GDP of any city in Europe and houses corporate headquarters of numerous multinational corporations, financial institutions, professional firms, and major organizations. The Innovator Visa is aimed at those who can demonstrate relevant experience in business and requires individuals to set up or run an existing business in the UK.

Population: 68 million

Language: English

Economy: Leading trading and financial center, third largest in Europe

Currency: British pound

Program overview

- At least GBP 50,000 in investment funds
- Processing time of one–eight weeks from submission of the application to approval
- The right to live, work, and study anywhere in the United Kingdom

Key benefits

Residence permits acquired within three weeks

Permanent residence possible after three years

International business environment

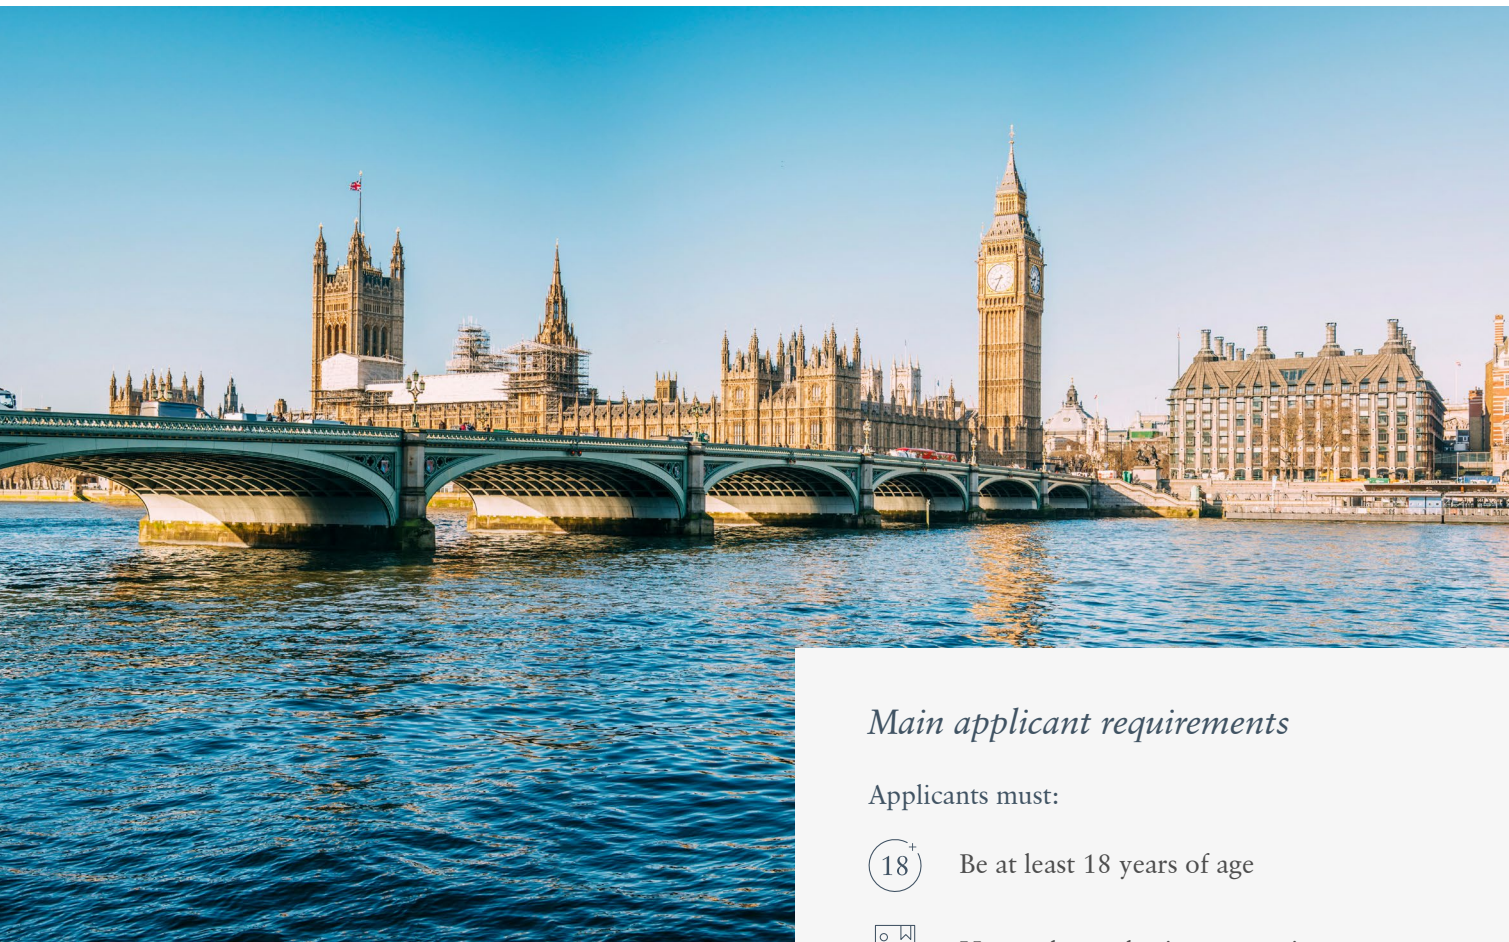

Attractive tax regime for individuals who are resident but not domiciled

Direct international flight connections to most major global cities

World-renowned schools and universities

Procedures

The completed application and supporting documentation must be submitted to the diplomatic post in the applicant's country of residence. The business idea needs to be assessed by an approved endorsing body before the immigration application is submitted to the Home Office. The initial visa is valid for three years. Upon expiry, the applicant may apply for 'extension of stay' from within the UK, or for indefinite leave to remain if all criteria are met. After five years of continuous lawful residence, the applicant may apply for British citizenship.
