

United States

EB-5 Immigrant Investor Program

The USA is the third-largest country on the globe and has been the leading economic and military power for the last century. It is one of the most sought-after destinations in the world for business and private residence. Dominating the global economy, it accounts for nearly a quarter of the world's GDP. The USA offers a wide range of choices when it comes to lifestyle, education, culture, geography, and climate.

Population: 340 million

Languages: English, Spanish, Chinese

Economy: Free-market, private enterprise

Currency: US dollar

Program overview

- Minimum investment of USD 800,000
- Processing time of 30 to 36 months for the initial residence period and green card (times may vary)
- The right to live, work, and study in any of the 50 states of the USA

Key benefits

One of the most desirable business and lifestyle destinations worldwide

Range of top-tier schools and Ivy League universities available nationwide

Efficient route to gaining permanent resident status (a green card)

Ability to include a spouse and children who are under 21 years old and not married

Minimal application requirements, with no business experience or specific language proficiency needed

Flexible physical presence requirements

Citizenship possible after five years of legal residence

Procedures

In addition to the usual personal documentation, medical reports, vaccination records, certified police clearance certificates, and any court records are required. Approved applicants will receive a permanent resident permit (conditional green card) for a period of two years. Thereafter, once the required job creation or preservation has been demonstrated, the conditions on the green card are removed. To be eligible for citizenship, successful applicants must have lived continuously in the USA for five years and must not be outside the country for longer than six months at a time.

Main applicant requirements

The applicant must fulfill both of the following requirements:

1. Invest in a commercial enterprise associated with a government-approved regional center. Choose one of these two options:

 USD 800,000 into a targeted employment area project in a rural area or an area with high unemployment

 USD 1.05 million into a non-targeted employment area project

2. Create or preserve 10 permanent full-time jobs for qualified USA workers

In addition, the applicant must:

 Have a net worth of at least USD 1 million

 Prove the legal source of their funds

After a green card (EB-5 visa) has been issued, the funds must stay invested for at least five years.
