INVITING
ATMOSPHERE

RESTAURANT AT SEALINE QATAR

Remarkable interior design and fit-out of Restaurant, located in Sealine Qatar, successfully delivered by Compact Qatar! As a dynamic team of experts, we take pride in delivering exceptional services to our clients. We worked closely with our team of professionals and collaborated with the client to deliver a project that exceeded expectations.

Our goal was to create a space that not only looked stunning but also provided a comfortable and welcoming atmosphere for diners. We carefully selected materials and colors to match the client's vision and enhance the overall aesthetic appeal of the restaurant. The design incorporated modern elements with traditional Qatari influences to create a unique and timeless look.

REMARKABLE
DESIGN

We utilized our project management skills and closely monitored every aspect of the process. Our team worked tirelessly to ensure that every detail was executed flawlessly, from the placement of furniture to the lighting and decor.

The end result was a stunning restaurant that not only met but exceeded our client's expectations. We are proud to have been a part of this project, and we look forward to delivering many more successful projects in the future.

At Compact Qatar, we believe that exceptional design and outstanding service are the keys to our success.

CIGAR LOUNGE

Transform your vision of the perfect cigar lounge into a reality. Our team of expert designers and fitters has created an exquisite space that exudes luxury and indulgence.

We firmly believe that a cigar lounge should be more than just a comfortable room equipped with a humidifier. It should be a haven that transports you to a different realm, a world of relaxation and sophistication. This is why we meticulously crafted every aspect of our design, from the intricately handcrafted wooden paneling to the plush leather chairs and vintage lighting fixtures.

COMFORTABLE
CLASSIC

SHEMOUKH TOWERS

With our quality craftsmanship and attention to detail we delivered a beautiful and elegant spaces at Shemoukh Towers. Our speciality in high-quality woodwork and furniture turned the space to an attractive and classic interior.

The intricate designs and patterns in the wooden furniture added depth and character to the space. The natural wood tones provided a warm and inviting atmosphere that was perfect for both relaxation and productivity. Our team worked tirelessly to ensure that every piece of furniture was carefully crafted to fit seamlessly into the overall design scheme

HIGH QUALITY
WOODWORK

CLASSIC INTERIOR

We provided quality craftsmanship and attention to detail at Shemoukh Towers, creating beautiful and elegant spaces with high-quality woodwork and furniture. The intricate designs added depth and character, while natural wood tones created a warm atmosphere suitable for relaxation and productivity. Each piece was meticulously crafted to fit the overall design scheme seamlessly.

PRIVATE VILLA

The right amalgamation of furniture has effectively transformed this villa into an elegant and welcoming living space, which accurately reflects the client's personality. The villa has left a lasting impression on anyone who enters the facility.

The furniture pieces were meticulously chosen, keeping in mind the villa's architecture and the client's personal style. The living room boasted plush sofas and armchairs in soft shades of cream and beige, which created a warm and inviting atmosphere. The dining area was adorned with a stunning chandelier and a large wooden table that comfortably accommodated ten guests. The bedrooms were a perfect blend of luxury and comfort, featuring king-sized beds and plush bedding that ensured a restful night's sleep.

Overall, the thoughtful design and careful selection of furniture created a space that was both aesthetically pleasing and practical. The villa accurately reflected the client's personality and taste, and it was evident that every detail had been carefully considered to create an elegant and comfortable living space.

COMFORTABLE
ELEGANT AND

375° NEW YORK RESTAURANT

375 Degrees Restaurant involved a lot of compliance measures to make sure we followed industry standards adequately. Interior design, fit out and furniture were successfully completed on time and within budget, it's a great example of delivering on our promise of quality work while ensuring absolute client satisfaction.

In addition to the design and construction aspects, we also paid close attention to the operational side of the restaurant. This involved working closely with the kitchen team to ensure that the equipment and layout were optimized for efficiency and safety.

We also collaborated with the front-of-house staff to ensure that the space was inviting and comfortable for customers. Overall, we were able to create a space that not only met industry standards but exceeded them, providing a great experience for both our clients and their customers.

MEETING INDUSTRY STANDARDS

AMP COFFEE BAR

The AMP Coffee Bar has undergone a remarkable transformation, featuring a contemporary and welcoming ambiance that is both practical and visually appealing. The design seamlessly blends natural and industrial elements, creating a cohesive and balanced look. The warm wood tones and soft lighting contribute to a cozy atmosphere, while the metal accents and clean lines infuse a modern vibe.

The fit-out was executed with great precision, paying close attention to every detail to ensure that the design was impeccably realized. From the bespoke furniture to the carefully curated accessories, every element was thoughtfully chosen to enhance the overall aesthetic of the space.

CONTEMPORARY & FUNCTIONAL

The fit-out was executed with great precision, paying close attention to every detail to ensure that the design was impeccably realized. From the bespoke furniture to the carefully curated accessories, every element was thoughtfully chosen to enhance the overall aesthetic of the space.

ATTENTION TO DETAILS

COMPACT QATAR | COMPANY PROFILE | 20224

TOASTIE RESTAURANT

During the project, we placed significant emphasis on sustainability, carefully considering the materials and environmental impact of our work. Collaborating closely with our client, we ensured their expectations were met and delivered the desired results. Our overarching objective is to realize our client's vision while maintaining open communication throughout the entire process.

In addition to sustainability, we also prioritized quality and efficiency in our work. We implemented rigorous quality control measures to ensure that our final deliverables met the highest standards. At the same time, we worked diligently to streamline our processes, minimize waste, and maximize productivity.

CLASSIC INTERIOR

QUALITY & EFFICIENCY

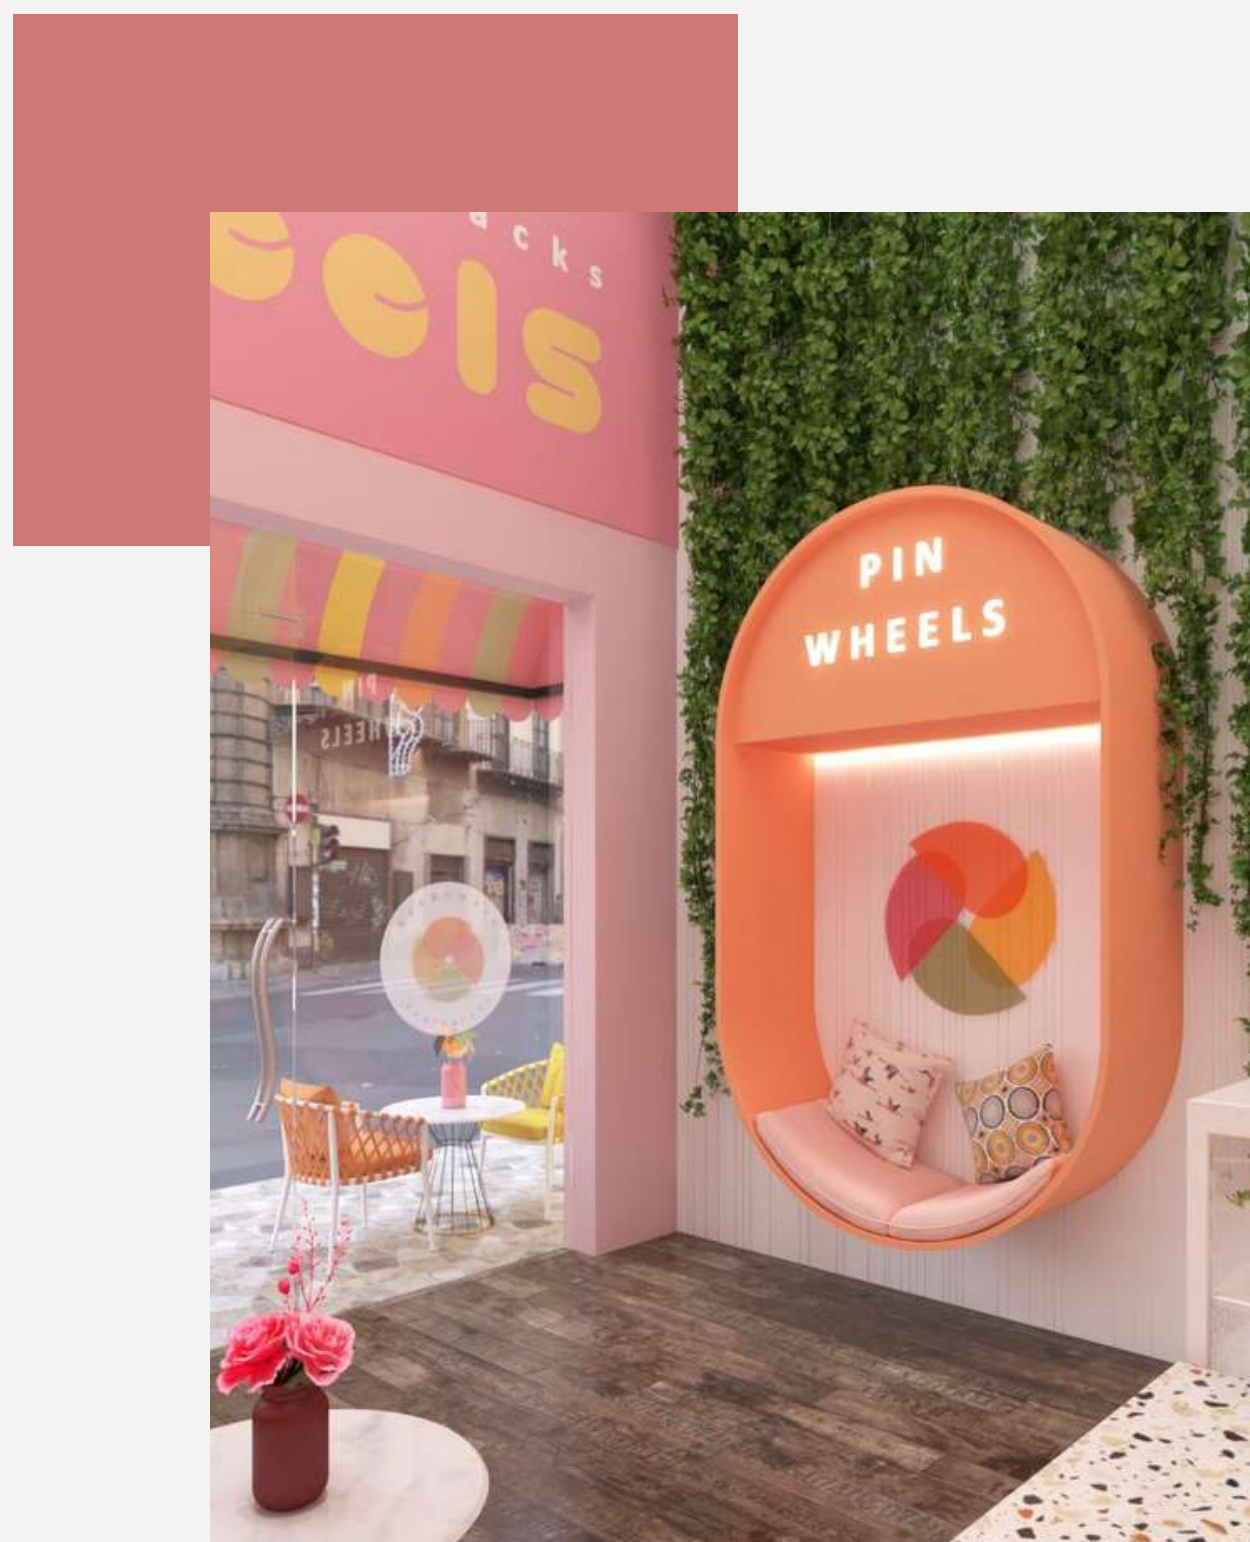

PIN ON WHEELS

Witness the stunning transformation! From concept to reality, turning Pin on Wheels into a masterpiece of design and functionality. Explore the art of fit-out with us.

Pin on Wheels is an innovative project that has been brought to life by a team of skilled designers and craftsmen. The idea of creating a mobile pinball arcade was just the beginning. The real challenge was to turn this concept into a functional and visually appealing reality.

The team behind Pin on Wheels worked tirelessly to bring their vision to life. They carefully selected the materials and equipment needed to create a high-quality and durable product. They paid close attention to every detail, ensuring that the pinball arcade was not only functional but also aesthetically pleasing.

The fit-out process was a work of art in itself. The team used their expertise to create a space that was both inviting and exciting. They installed custom lighting, sound systems, and graphics that brought the pinball arcade to life.

OFFICE FURNITURE

Our specialty is in crafting wooden office furniture that not only serves its intended function but also complements the surrounding work environment. This particular project was subject to extensive compliance measures to ensure that we adhered to all relevant industry standards. The project was successfully completed on time and within the budget.

Our team of skilled craftsmen are passionate about creating custom furniture pieces that are not only functional but also beautiful. We take great pride in our workmanship and attention to detail, ensuring that every piece of furniture meets our high standards of quality.

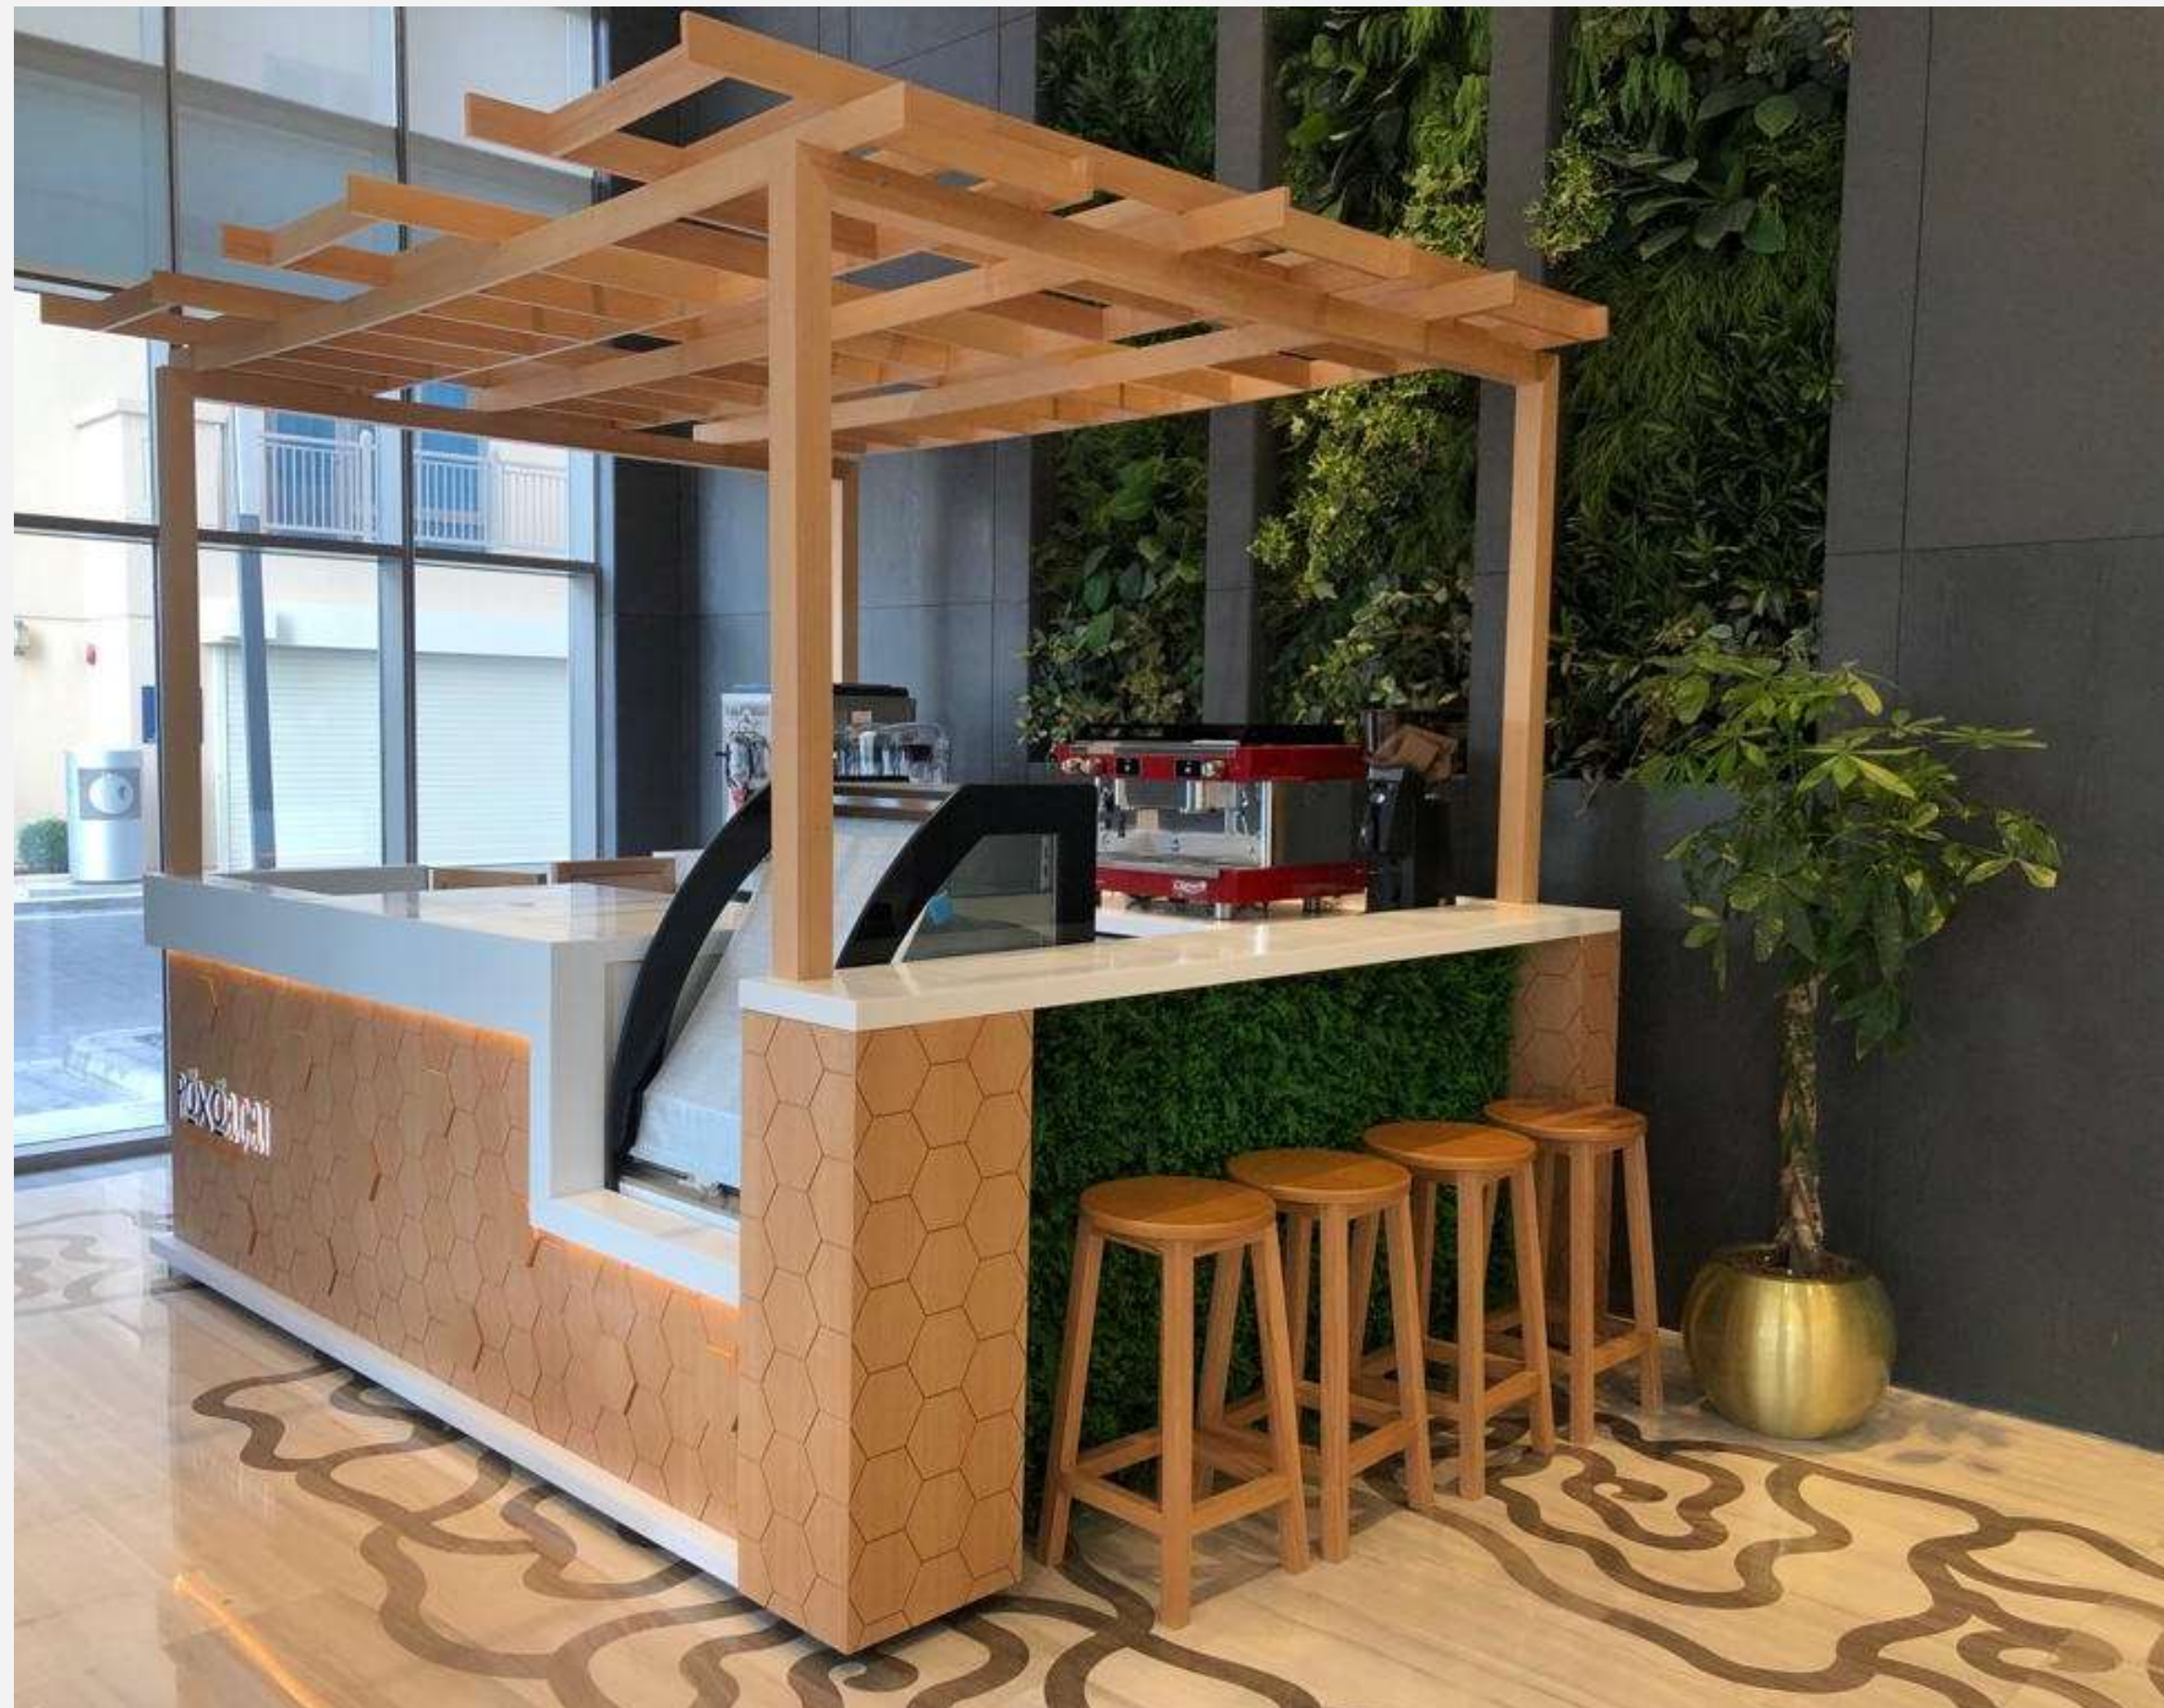

Throughout the project, we maintained constant communication with the client and provided regular updates on progress. Our goal was to deliver a final product that exceeded their expectations, and we are proud to say that we achieved that goal.

WOODEN FURNITURE

ROXO ACAI

The kiosk design for ROXO ACAI in The Pearl - Abraj Bay Tower is a true blend of creativity and functionality. With its beautiful and modern cozy wooden structure, it not only catches the eye but also provides a warm and inviting atmosphere for customers to enjoy their Acai bowls. The design is not just about aesthetics; it's also highly practical, ensuring smooth operations for both customers and staff alike.

The layout of the kiosk is thoughtfully designed to optimize space and create a seamless flow for customers to order and receive their delicious treats. The wooden elements add a touch of warmth and elegance to the overall look, making it a standout feature.
