# Join IACC

---

## Illinois Association of Career Colleges

IACC is a partner with the Alliance for Career Education in the States (ACES). All institutions located in the state of Illinois are encouraged to join in support of private career education and state-based advocacy.

IACC will facilitate a sector-led advocacy campaign to directly engage state legislators and regulators on key topics impacting schools and students.

The advocacy work of IACC is tailored to the unique needs of schools in Illinois.

IACC will work to keep government officials in Illinois abreast of the positive impact of proprietary schools in the state and will work with legislative leaders to facilitate in-person visits to their local schools.

# Member Benefits

## Communications

- Real-time updates on important news and information relevant to Illinois institutions.
- Regular communications related to legislative, regulatory, and political activities important to sector schools.
- Complimentary subscription to the Career Education Review magazine.

## Government Relations

- Access to top government relations professionals, grassroots training, and state partnerships to strengthen your advocacy efforts.

## Professional Development

- IACC members have priority access to all ACES events including professional development offerings, webinars and special events hosted in their areas.
- Discounted pricing on Certified Higher Education Professional courses.

## Dues Structure

### Illinois Membership Options

#### Select one

##### ***Illinois Association of Career Colleges Member: \$300***

*All members receive communications from ACES and complimentary access to the professional development offerings from the Alliance as well as discounts to the CHEP Certification courses.*

##### ***Illinois Proprietary Colleges and Universities Coalition Member:***

*Coalition members include the institutions that support the advocacy efforts of the association. All Advocate members may participate in the Government Relations calls and updates from the lobbying team. Advocate members also have full access to all membership benefits for the coalition listed above.*

*Membership dues are inclusive for all campuses within Illinois.*

*Membership dues are calculated for the full calendar year. Dues for campuses that join after the month of March, will be prorated for the remainder of the calendar year and renewed for the full year at the next renewal cycle.*

### **Membership Discount Opportunities for CECU member schools**

*CECU offers a membership discount to schools with campuses in multiple states within the ACES partnership.*

*Schools with campuses in multiple ACES states will receive a scaled discount of 50% of their total ACES dues towards their CECU annual dues for the following year.*
