Join NECCA

**New England Career
College Association
(NECCA)**

NECCA is a subsidiary of the Alliance for Career Education in the States (ACES). All institutions located in the state of Oregon are encouraged to join in support of private career education and state-based advocacy.

NECCA will facilitate a sector-led advocacy campaign to directly engage state legislators and regulators on key topics impacting schools and students.

The advocacy work of NECCA is tailored to the unique needs of schools in New England.

NECCA will work to keep government officials in New England abreast of the positive impact of proprietary schools in the state and will work with legislative leaders to facilitate in-person visits to their local schools.

Member Benefits

Communications

- Real-time updates on important news and information relevant to New England institutions.
- Regular communications related to legislative, regulatory, and political activities important to sector schools.
- Complimentary subscription to the Career Education Review magazine.

Government Relations

- Access to top government relations professionals, grassroots training, and state partnerships to strengthen your advocacy efforts.

Professional Development

- NECCA members have priority access to all ACES events including professional development offerings, webinars and special events hosted in their areas.
- Discounted pricing on Certified Higher Education Professional courses.

NECCA Membership Application

Dues Structure

NECCA Member Dues: \$300

Membership dues are inclusive for all campuses within the New England states.

Membership dues are calculated for the full calendar year. Dues for campuses that join after the month of March, will be prorated for the remainder of the calendar year and renewed for the full year at the next renewal cycle.

Membership Discount Opportunities for CECU member schools

CECU offers a membership discount to schools with campuses in multiple states within the ACES partnership.

Schools with campuses in multiple ACES states will receive a scaled discount of 50% of their total ACES dues towards their CECU annual dues for the following year.
