# Join UCCA

---

**Utah  
College Association  
(UCCA)**

UCCA is a subsidiary of the Alliance for Career Education in the States (ACES). All institutions located in the state of Utah are encouraged to join in support of private career education and state-based advocacy.

UCCA will facilitate a sector-led advocacy campaign to directly engage state legislators and regulators on key topics impacting schools and students.

The advocacy work of UCCA is tailored to the unique needs of schools in Utah .

UCCA will work to keep government officials in Utah abreast of the positive impact of proprietary schools in the state and will work with legislative leaders to facilitate in-person visits to their local schools.

# Member Benefits

## Communications

- Real-time updates on important news and information relevant to Utah institutions.
- Regular communications related to legislative, regulatory, and political activities important to the sector in the state capital.
- Complimentary subscription to the Career Education Review magazine.

## Government Relations

- Access to top government relations professionals, grassroots training, and state partnerships to strengthen your advocacy efforts.

## Professional Development

- UCCA members have priority access to all ACES events including professional development offerings, webinars and special events hosted in their areas.
- Discounted pricing on Certified Higher Education Professional courses.
