## Return on Investment

Georgetown's Center on Education and the Workforce

Out of the 62 Colorado schools included in the rankings analysis, for-profit schools make up nearly half of the schools ranked in the top 20% for 10-year ROI, including the top-ranked Colorado school, Spartan College of Aeronautics and Technology. These top-ranked schools confer primarily certificates and associate's degrees, allowing for quicker entry into the workforce.

ROI takes into account students' median earnings, the average net price of the institution, and the predominant credential awarded at the institution.

## For-profit colleges in Colorado contribute significantly to the U.S. workforce to fill critical roles by conferring a high percentage of degrees/certificates in the following fields:

IPEDS Completions Component, 2023-24 school year

## For-profit colleges in Colorado support historically underserved populations across the state, by offering career-focused education to a high percentage of these groups:

- 65% of for-profit students in the 2023–24 school year were women
- 58% of for-profit students in the 2023–24 school year received Pell Grants
- 22% of for-profit students in 2023–24 school year were Black students
- 84% of for-profit students in Fall 2024 were over the age of 25
