

# Student Success at For-Profit Schools in Michigan

Two-year graduation rates in Michigan, 2023–24  
150% time to completion

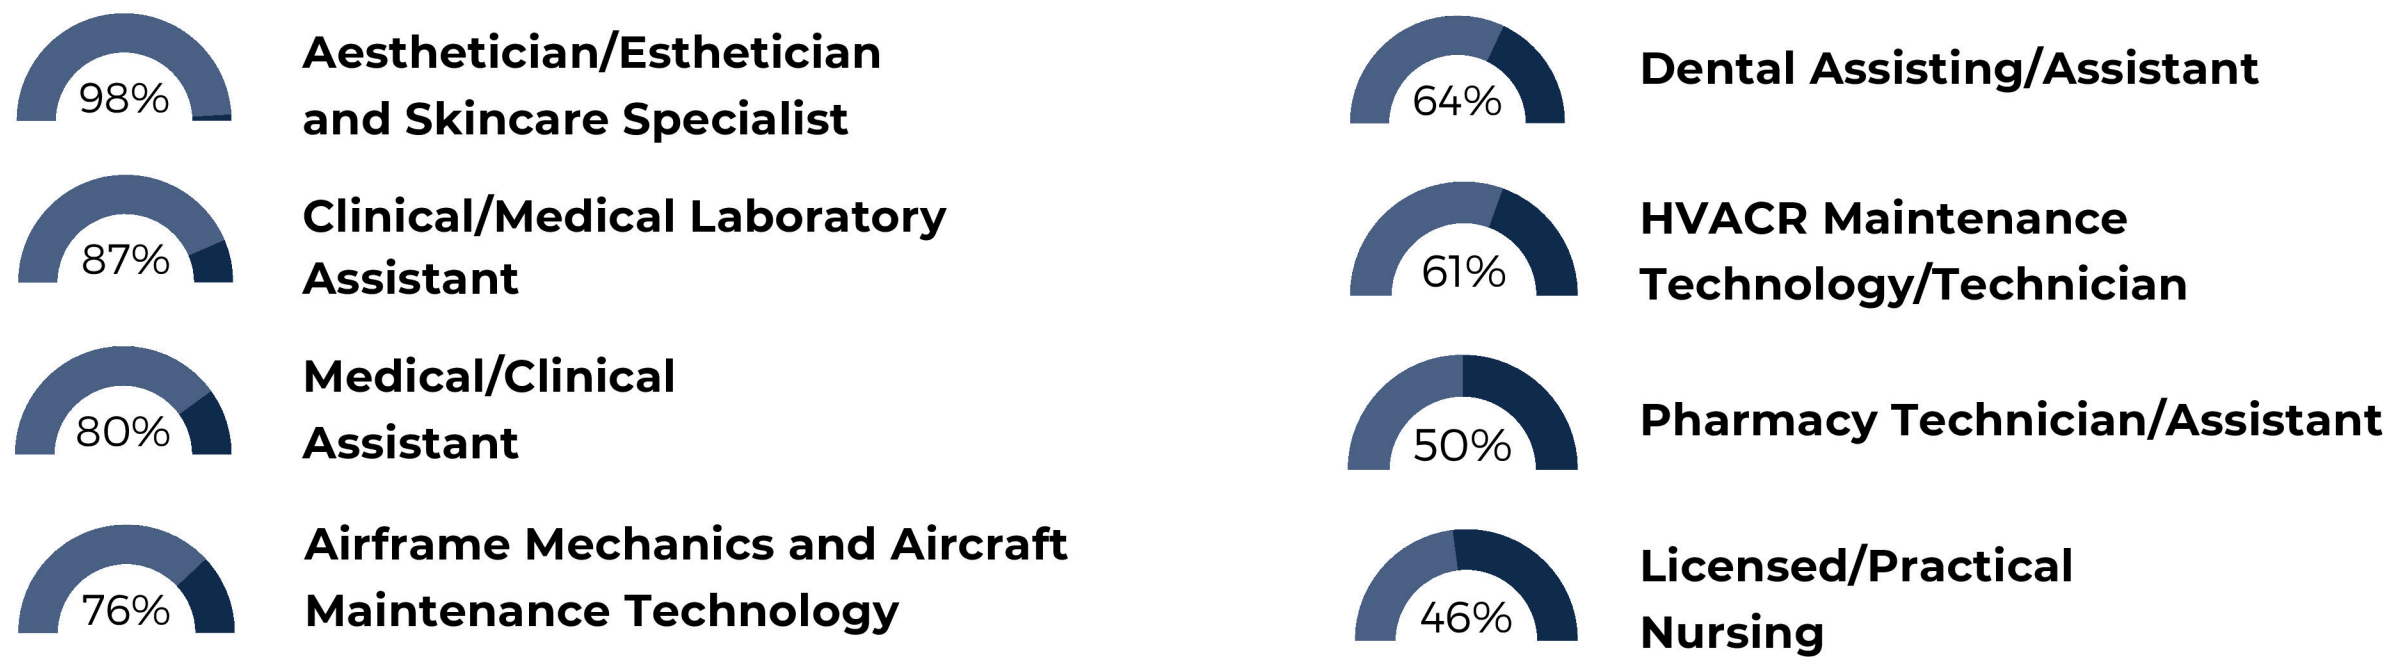

Pell graduation rates include two-year and less-than-two year awards IPEDS Graduation Rates Component, 2023-24

## Return on Investment Georgetown’s Center on Education and the Workforce

Out of the 128 Michigan schools included in the rankings analysis, for-profit schools make up nearly one-third of the schools ranked in the top 10% for 10-year ROI. These top-ranked schools confer primarily certificates and associate's degrees, allowing for quicker entry into the workforce.

ROI takes into account students’ median earnings, the average net price of the institution, and the predominant credential awarded at the institution.

## For-profit colleges in Michigan contribute significantly to the U.S. workforce to fill critical roles by conferring a high percentage of degrees/certificates in the following fields:

IPEDS Completions Component, 2023-24 school year
