Georgetown's Center on Education and the Workforce

Out of the 47 Connecticut schools included in the rankings analysis, for-profit schools make up 80 percent of the schools ranked in the top 10% for 10-year ROI. These four top-ranked schools confer primarily certificates and associate's degrees, allowing for quicker entry into the workforce.

ROI takes into account students' median earnings, the average net price of the institution, and the predominant credential awarded at the institution.

For-profit colleges in Connecticut contribute significantly to the U.S. workforce to fill critical roles by conferring a high percentage of degrees/certificates in the following fields:

IPEDS Completions Component, 2023-24 school year
