

# WELCOME HOME ADULT DAY CENTER

March 25, 2020

Welcome Home Families,

After listening to Governor Stitt's press conference yesterday, we were left with many unanswered questions as I'm sure many of you were. Unfortunately, the message that none of us wanted to hear has come to light after investigating some of the unknowns today. Along with many other businesses statewide, Welcome Home is being asked to shut down for the next 21 days. We are fully aware of the impact this will have on some of you, which is why we have tried to avoid this for as long as we have, but at this point we are left with no other option than to follow the guidelines laid out by the CDC.

After the close of business today, Wednesday March 25, 2020, Welcome Home will be closed for the mandatory 21-day period. As long as there are no modifications to this state mandated plan, we will reopen on Thursday, April 16<sup>th</sup>, 2020.

Please know that this decision is as difficult to communicate for us as I'm sure it is for some of you to hear. We can't wait to get back to business as usual once all of this is over. Until then... stay safe, stay well, and let's all look forward to the celebration we will be planning for the next time we can all be together again 😊

Looking forward to seeing you all soon!

Tiffany, Karla, & Tami
