REMINDERS

The Student Stop is a separate entity from the school. We don't receive absence calls or access to student medication from the school offices. To keep your child safe, please:

1. Text or call us directly regarding absence or change of plans.
2. Bring any medication to us directly with the medicine distribution form attached.

Welcome New Families! Please review our pickup policies

1. Photo ID is required at pickup. We will not release your child to anyone without the proper identification.
2. Authorized pickups: Please list all people allowed to pick up your child on the registration form

Because space is limited and Full Days fill up quickly, please pre-register and pay in advance. We won't be able to accept same day sign ups for these events.

Please always bring a lunch and a water bottle. Children may also bring toys from home at your discretion. Please Label them
