

THE STUDENT STOP

NOVEMBER 2025 NEWSLETTER

AS WE STEP INTO NOVEMBER, WE ARE EXCITED ABOUT OUR UPCOMING EVENTS AND ACTIVITIES, INCLUDING OUR FIRST FIELD TRIP OF THE SEASON. FROM FUN CRAFTS, TO FALL THEMED SCIENCE EXPERIMENTS, WE ARE LOOKING FORWARD TO EXPLORING THE SEASON WITH YOUR KIDS

Important Reminders

Inclement weather policy- The Student Stop rents space from the Beaverton School District. Our program is not allowed to occupy the school buildings when staff are not present. If schools close, The Student Stop will close. When buses are on snow routes in the morning hours, the Student Stop morning program will be closed.

Credits will be given for up to 3 snow day morning, afternoon, or full day sessions per year.

Special Events/Field Trips- The Student Stop will be organizing special events and field trips throughout the school year which may include presentations, workshops, and classes led by outside vendors. Some of these events may require an extra fee. Please note that special events are optional and available on a first come first served basis.

Field Trips- For safety reasons, all staff will accompany children on field trips, and no one will be left on-site. Field trips-if scheduled- will only be scheduled on non-school days. If you do not want your child to attend, please make alternate plans. For transportation, we will be using a reputable bus service called First Student Charters. First Student provides service to all Portland metro area school districts.
