

JOINT MILITARY TRAINING & SIMULATION CONFERENCE

Day One 24th February	
	1st Session – Training the UK Integrated Force – The Requirement
09:00	Chairmans Intro & Welcome Mark Mangham, Simulation & Training Consultant
09:10	 Conference Keynote Air Vice Marshal Simon Strasdin, Director Integrated Warfare Centre, Cyber and Specialist Operations Command (CSOC)
09:40	 Future Shape of Land Training Major General Ollie Kingsbury, Director (Designate), Land Warfare Centre
10:10	 Accelerating Global Learning based on Operational Experience AI Musgrove, Lead, Joint Lessons Learned Program (JLLP), Joint Staff J7 (Force Development), United States
10:40	Tea, Coffee, Exhibits
	2nd Session – Training the UK Integrated Force –Delivering the current force
11:10	 How IWC will use training coherence to drive readiness for the Integrated Force Brigadier Matt Baker, Head of Warfare Development, Integrated Warfare Centre, Cyber and Specialist Operations Command (CSOC)
11:40	Reserved For Industry Sponsor
12:10	Panel Discussion – Training the UK Integrated Force
12:40	Lunch & Exhibits
14:00	 Gladiator – Air's Multi-Domain Collective Training Synthetic Environment Group Captain Paul Froome, Senior Responsible Owner Next Gen Op Trg, Air Capability, Air Battlespace Training Centre
14:30	TBD
15:10	Industry Technology Presentation – ESUK
15:40	Tea, Coffee, Exhibits
	3rd Session – NATO First – Delivering the current force
16:10	 NATO plans as the integrating concept for capability readiness Major General Neil Grant, Chief of Staff, HQ ARRC
16:40	 The Australian Joint Operations Command Joint Synthetic Training Environment Colonel Spencer Norris, Director J76 – Simulation Services, Joint Collective Training Branch, HQ Joint Operations Command
17:10	 Joint Multinational Simulation Center (JMSC) LTC Ryan Debeltz, Chief, Regional Simulation Capability-Europe (RSC-E), US Army
17:40	Drinks Social Among Exhibits
19:00	

JOINT MILITARY TRAINING & SIMULATION CONFERENCE

Day Two 25th February

	3rd Session – NATO First – Delivering the current force (continued from day one)
09:00	Chairmans Intro & Welcome Mark Mangham, Simulation & Training Consultant
09:10	 TBD NATO Presentation Invited
09:40	 CAX support at the NATO Joint Warfare Centre Phil Draper, Head of the JWC CAX Support Branch, NATO Joint Warfare Centre
10:10	Artificial Intelligence - Real Impact! Smarter Mission Planning and Rehearsal Gary DeYoung, President, Battlespace Simulations
10:40	Tea, Coffee, Exhibits
	4th Session – How can Wargaming, Modelling & Simulation better support the integrated force
11:10	 Delivering on the DMSO Vision Mrs Bijal Mistry, Head of Defence Modelling & Simulation Office (DMSO), Integrated Warfare Centre, Integrated Design Authority, Cyber and Specialist Operations Command (CSOC)
11:40	 The National Armaments Director and accelerated prioritised procurement Mr Mark Bunyan, Multi Domain Synthetic Environments and training Portfolio Head, Defence Equipment & Support (DE&S)
12:10	Industry Technology Presentation - Vedette Consulting
12:40	Lunch & Exhibits
14:00	 Wargaming as an enabling capability Captain (Royal Navy) Eugene Morgan, Wargaming Lead, Cyber and Specialist Operations Command (CSOC)
14:30	 Matching Research to Current Force Priorities Brigadier (Retd) Austen Pearce, Chief Force Development & Design, Dstl
15:00	TBD
	5th Session - Futures: Concepts & Technology
15:30	 Simulation in Support of AI-Drone-Network Enabled Warfare; Andy Fawkes, Consultant, writer and speaker on developments in simulation and training
16:00	Finish
