

ZHEJIANG LIUTONG PLASTIC CO.,LTD.

Address: 6# Gongxin Road
Huangyan
Taizhou City
Zhejiang Province

www.chinapipes.com

SINCE 1994

COMPANY PROFILE

Zhejiang Liutong Plastic Co.,LTD was established in 1994,Through many years development and innovation, now, As the one of the largest manufacturers in East-South of China, Liutong Plastics specialized in pipe and fitting products, such as PVC-U (Unplasticizde polyvinyl chloride) drainage pipe and fittings, PVC-U water-supply pipe and fittings, electrical conduit and fittings,PP-R water-supply pipe and fittings, CPVC tube for high voltage electric power cable protection, PVC resin, plastic valve and fittings, and various injection & extrusion moulds.

Liutong plastics,located in Huangyan city, Zhejiang province, a famous place for plastic products and plastic injection mould in China, with superior geographical location and convenient transport conditions. Especially, company owns many excellent employees in different department. Liutong Plastics ranks the leading position among so many competitors due to product quality, competitive price and product variety. Moreover, it possesses some patent products in different area.

In the past years, its products have been salable all over the domestic market and have entered international market to compete with competitors all over the world.

Our goal is to earn our customers' loyalty and repeat business by:

Supplying the highest quality products at competitive prices.

Maintaining the highest possible level of customer service.

Providing timely delivery for all order.
