Your Soul Number is ONE.

You are a strong, self-reliant individual who is willing to stand apart from the crowd and act according to your own beliefs and convictions. You have a deep inner sense of authority and of your own power, and you prefer to either work alone or to be in charge, directing and leading others. You have a dominant nature and greatly influence others, even without trying to. Self-sufficient and independent, you are not easily swayed from the path you set for yourself. However, you tend to be proud and unwilling to ask for help when you need it. You also become so involved with carrying out your own will and desires that you neglect to consider others' needs.

Your inability to cooperate and compromise, and your tendency to be subtly domineering may cause trouble in close relationships. Also, you have trouble accepting any authority and can be rebellious when challenged. Your gifts are originality of thought, the courage to be different and take risks, and a deep core of inner strength.

You are outgoing and expressive with an engaging, lively verbal style. Quick-witted and fluent, you can be a sparkling conversationalist or persuasive salesman. There is also a mischievous playfulness about you and you may be a terrible tease. You like to poke fun at more serious or pompous individuals.

You are quite magnetic and attractive to the opposite sex, and you need a lot of mental and emotional stimulation in order to be happy. It is good for you to have many friends and acquaintances of both sexes.

You are rarely still and you appear restless, as if you were itching to get up and go someplace. You quickly become impatient if your environment is not interesting and varied. You don't want to miss anything. You may seem fickle and undependable to others.

You are sensitive and intelligent, with the ability to perceive and understand subtleties and complex issues.

You are sympathetic, idealistic, and have a strong humanitarian impulse. You can be overly subjective, overly sensitive and emotional. You avoid confrontation as much as possible, and are sensitive to criticism and rejection.

You are a hard worker, solid and reliable, perhaps something of a workhorse. Others depend upon your stable strength.

Though strong-willed, you nevertheless have a rather soft exterior, rarely initiating conflict or controversy. You are slow to change, and somewhat passive, at least outwardly. You also enjoy a relaxed pace, preferring the country or a smaller town to an urban lifestyle. There is a simplicity about you, possibly a certain bluntness and lack of subtlety as well.
