

Hoover Service Club, Inc.

The Hoover Service Club is a non-profit club formed in 1975 whose goals are threefold:

- To further education through academic scholarships awarded to deserving high school seniors from Hoover and Spain Park High Schools,
- To donate funds to charitable organizations that serve individuals in and around the Hoover area, and
- To recognize outstanding volunteer service to the community.

To achieve these goals, the club will host its eighth annual “*Hearts in Harmony*” fundraiser on February 29, 2020 at Hoover Country Club. We are pleased to announce our honorary chairman for this year is Chorus SmartSecure.

As a valued member of the community we are inviting you to join with Hoover Service Club to raise funds for scholarships and community programs. We hope you will commit to becoming a sponsor. Your support is important to the Hoover community and is much appreciated.

Invitations to the Hearts in Harmony Event will be mailed in early January 2020. We look forward to your support and attendance at the Hearts in Harmony Event.

Sincerely,

Bonnie Campbell
