

HOOVER SERVICE CLUB, INC.

January, 2022

The Hoover Service Club is a non-profit club organized in 1975. Through the years the members have been committed to helping meet the needs of Hoover families. Currently, we focus on two areas - providing academic scholarships to students at Hoover and Spain Park High Schools and supporting families through Community Outreach donations.

Hoover Service Club will host its annual Hearts in Harmony fund raising event on March 5, 2022 at Hoover Country Club. The proceeds from this event will provide scholarships to academically strong students that need financial assistance to continue their education. Additionally, they will provide support for local agencies that support families in need. This support is given through food banks, educational agencies, and local charities that support families facing daily challenges.

Our Hearts in Harmony theme this year is "Inspiring Others" and we hope you will be inspired to partner with us to raise funds for these worthwhile endeavors. You can help in two ways – becoming a patron and purchasing tickets to the Hearts in Harmony event. A donation form and an invitation are attached or you can make reservations and donations through our website www.hooverserviceclub.com.

We thank you for your support and look forward to seeing you at the event.

Yours truly,

Bonnie Campbell
