Hearts in Harmony

The Ways and Means Committee has been working over the summer to come up with ideas to raise funds to continue supporting the needs in Hoover through our charities and scholarships. As we have shared ideas with others within the committee, the concern for Covid continues to be the primary question in hosting any type of fundraiser. We certainly want any event to be enjoyed and successful but at the same time safe for all to attend.

We ask for your continued support, thoughts, ideas and above all prayers as we continue to navigate through these unusual and delicate times.

We are committed to the mission of our club and will continue to be creative in our endeavors.

Thank you to all of you, and we hope and pray our upcoming year will be successful regardless of the challenges before us!

Looking forward to seeing all at our first meeting!

Act of Service September Meeting

Our friends at Vineyard Family Services create packages for over 1,000 children weekly and are in desperate need of cases of the following items:

- **Applesauce Pouches**
- **Juice Pouches (think Capri Suns)**
- **Mac & Cheese bowls (just add water and microwave)**

These items are part of a national shortage and are a staple for the weekly bags the Vineyard Family Services provides to the children.

We would love donations of the food items above but would gladly accept cash or Venmo (@Lori-Heglas), and Betty and I can purchase the items for you. You can also make a check out to Vineyard Family Services and they can purchase items through their purchasing programs.

Letter from our President, Rhonda Boyd

Hello Ladies!

I certainly hope you've had an amazing summer! I did. After being inside for a year and a half, it was a welcomed time. I visited Detroit, Florida, Mississippi, and Georgia (all while still taking precautions of course). I felt like I was finally set free.

Now, we know that all good things must come to an end and the summer fun has ended. The children have gone back to school to meet and welcome new friends and teachers, grandparents have returned home, moms and dads are returning to the office, and the pools are closing. It's time to turn off vacation mode and let reality sink in. A new season has begun and I'm excited.

I'm excited that the Hoover Service Club will bring smiles and help to people in need by our giving and volunteering. I'm also excited to meet new members as well as seeing the existing ones. I'm excited for all the new programs we will have this year and to hear new ideas for fund raisers. I'm excited as well to see how God is going to bless us so we can be a blessing to our community.

Our committee chairs are in gear already, meeting and planning fund raisers, budgets, the newsletter, grants, the yearbook, programs, and preparing for our first meeting. Some have even worked during the summer. You ladies are so dedicated and a blessing, and because of that, I'm looking forward to a great year. I can't wait to see your sweet smiling faces, so goodbye for now and we'll see each other real soon.

Blessings!
Rhonda
