USG Invoice 17980 - SID 23 - Westmont_20250324_0001.pdf

Beth,

I was told by Mike Quinn, who supervises the SID 23 sanitary sewer lift station, to forward this invoice to you. After the blizzard last week, Westmont had a power outage to their sanitary sewer lift station. USG was called/scheduled to pump down the lift station every 6 hours or so to keep the sewage from backing up into homes and condos. This is the invoice for those services.

If you have any question - please let me know.

Thank you,

Matt Shehan
