## Are You and Your Vehicle Ready for El Niño?

By **Mike Hazlett**, Mosquito FPD Fire Chief

If El Niño rainfall predictions are correct, this winter could be the answer to California's drought. While there is a chance precipitation will be only moderate, there is also the possibility of powerful, drenching rain/snowstorms that can quickly create dangerous travel conditions in the Mosquito area. It's time to prepare your vehicle now:

- Have your vehicle serviced, checking the battery, lights, cooling system, defroster, windshield wipers. Also, fill the reservoir. If you are adding floor mats for the wet weather, ensure they are installed correctly to prevent pedal interference.
- Check the age of your tires, the tire pressure and tread, including the spare. The last 4 digits after "DOT" represent the week and year of manufacture. Check the owner's manual for a specific recommendation for when to replace tires. Some manufacturers recommend replacement every 6 years regardless of use. To maintain contact with wet roads, tires should have at least 50% of the tread life left to ensure they can displace water through the grooves and retain contact with the roadway.
- Ensure your vehicle is properly stocked for cold weather breakdowns, that is, jumper cables, flashlight and flares or markers as warning devices. Add blankets, cell phone and charger, non-perishable food and water for longer trips in lightly populated areas.

Should you need to venture out in bad weather, plan your travel and inform others of your route and anticipated arrival time. Check the weather, road conditions and traffic, if necessary. Don't rush and allow plenty of time to get to your destination.

If your vehicle is disabled secondary to mechanical problems or damage from potholes or rock or tree fall on the roadways, stay with your vehicle and don't overexert yourself.

Place warning devices on the roadway, put bright markers on the antenna or windshield and keep the interior dome light turned on. Attempt cell phone contact for help and plan for a long wait for assistance.

These few tasks will better position you against whatever challenges El Niño throws our way.

**The next MFPD Board meeting is Thursday, February 11<sup>th</sup>, at 7 p.m. at the Fire Station  
You are welcome to attend!**

## **ALERT, ALERT, ALERT!**

The Easter Bunny is coming to our community! Don't miss this chance to find Easter eggs that have been hidden. Mark your calendars - Saturday, March 26<sup>th</sup> at 10:30 a.m. More to come in the March Byte.

## **Upcoming MVFA March Fundraiser**

By Tom Harris

The MVFA board has changed its St. Patrick's Day Fundraiser Dinner to the Cowboy Chuck Wagon. With apologies to the Irish folks among us, the traditional fare of corned beef and cabbage will give way to pulled pork, fried chicken, beans and coleslaw. All are welcome, and all are encouraged to dress up in cowboy, cowgirl or western attire for MVFA's first event of the New Year.

There will be a gift raffle at dinner and any donors are requested to bring a gift, or drop one off at a board member's home ahead of time. In addition, there will be a 50/50 raffle. This event will be **Saturday, March 12<sup>th</sup>**, at the Fire Station. Serving will begin at 6 p.m. Y'all come out now, ya hear?

**The MVFA Board meeting is Thursday, February 4<sup>th</sup>, at 7 p.m. at Mosquito General. We hope to see you there!**

## **An Abridged Version of MVFA**

No history of MVFA is complete without beginning with Lois Pearson. Lois was one of the primary individuals involved in the founding of the Mosquito Volunteer Fire Department (MVFD) in 1972. Much historical information of Mosquito comes from her written recollections.

Our current fire department, the Mosquito Fire Protection District (MFPD), was formed by voter initiative in 1978 and is an entity supported by property taxes from district property owners. (The current base annual budget of MFPD is approximately \$325,000.) The Mosquito Volunteer Fire Department continued to operate side-by-side in support of MFPD. All of MVFD's revenue came from donations and fund raising events.

Prior to 1997, the State of California owned the Finnon Lake property. In 1997, the dam at Finnon was declared seismically unsafe. The MVFD bought the property for \$1.00 with restrictions that it had to be maintained for PUBLIC recreation and that if MVFD ever decided to sell the property, the state got first right of refusal. State officials promised to waive most of the fees associated with maintaining a dam of this size until the dam was replaced. Unfortunately, as state personnel changed and as the economy got worse, the promise was soon forgotten and the MVFD accumulated a large debt for unpaid inspection fees. From about 2000 to 2004, there was no income from Finnon because the restaurant was not open, the lake level was reduced and the campground deteriorated to marginal usefulness.

The restaurant finally re-opened as the Firehouse Country Kitchen in 2004, and with a low level of campground use, insurance and taxes were paid but not the dam fees. While MVFD thought the dam fees were going to be waived, it made significant contributions instead to the MFPD for equipment, facility maintenance and fire fighter recognition functions through the same fundraiser events originated by Lois Pearson.

In July 2005, MVFD reorganized from a 501(c)(4) to a 501(c)(3) non-profit community support organization. In late 2006, the name of MVFD was changed to MVFA (Mosquito Volunteer Fire Association). Every adult residing in the Mosquito Fire Protection District is automatically a member of MVFA. MVFA continues the tradition of sponsoring fund raising events and charitable activities which now benefit the entire community.

On April 17, 2007, the Finnon Lake property deed was officially signed over to MVFA. At that time, the attorney for MFPD advised against any financial connection between MFPD and MVFA. The reason given was to avoid any taxpayer liability connected with the Finnon property including dam fees, property taxes, liability insurance and maintenance costs. The MFPD board soon dropped MVFA from its liability insurance coverage, and MVFA purchased its own policy. MVFA also purchases its own insurance for Finnon Lake.

MVFA is financially independent and totally self-supporting. MVFA receives no income or financial support from MFPD or any other tax source, nor from any homeowners' group. Neither MVFA nor Finnon Lake has any affiliation with SCPOA. MVFA has no paid employees. Maintenance work at Finnon is accomplished by volunteers. Income from all MVFA fund raising events is by donations, and the events are accomplished solely through the efforts of community volunteers. MVFA has no guaranteed income. Its budget is adjusted periodically to bring fund balances to levels previously authorized by the board.

The financial separation between MFPD and MVFA does not stop MVFA from contributing to and volunteering for work to support the fire department. Projects such as replacing old drywall, constructing the brick fascia, remodeling the office space and bathrooms, and replacing the window blinds at the station were needs that were not covered in the MFPD budget. These projects were accomplished with donations and help from MVFA volunteers. In addition, MVFA now maintains a "Station 75 Fund" which provides money to buy tools and equipment for the fire station at the request of the Chief. Anyone is free to donate to this fund at any time. What's more, many MVFA Board members have been firefighters and members of the MFPD Support Group and the Fire Chief has been an active advisor.

In 2011, when the dam was finally replaced (a story unto itself), it became apparent that the state was NOT going to waive the dam fees. In fact, it assessed penalties and interest. The MVFA was now forced to turn all of its financial attention toward paying off these fees or face foreclosure. With the new dam, Finnon Lake is certified to the level of the spillway and is an excellent source of water for fire protection. Also, Finnon Lake Recreation Area (FLRA) continues to be a venue for wildfire training. During the King Fire, Finnon Lake campground was used as the secondary safety zone to the airport.

With the restaurant now operating as Mosquito General Market and Kitchen, the campground, twenty basket disc golf course, day use activities like fishing and boating and swimming are all operating at increasing levels. Finnon is close to becoming self-sustaining. Once the dam debt is paid off, MVFA will return to its former level of community support, much of it with FLRA income derived from outside the Mosquito community.

For more information, go to [www.GoMVFA.org](http://www.GoMVFA.org), or visit [www.finnonrecreationarea.com](http://www.finnonrecreationarea.com) and click "About MVFA" at the top of the page.

Thanks to **Neil Matheny** and **Ralph & Sharon Hern** for contributions to this article.

## **MFPD Support Group Information**

As was mentioned above, the Support Group is an integral part of the MFPD, and has been around a long time. It handles traffic control, transports firefighters and equipment, and acts as an information outlet and messenger during emergencies like fires, accidents and downed power lines.

Support Group volunteers played a big role during the King Fire. Many members stayed behind to run the station HQ, answer the phones, make maps, and buy food in town to cook meals for the fire

department, and keep the station clean. In addition, volunteers ran the Pump 75 at Twin Ponds and filled about 60 water tenders when the EID supply started running low.

Lately, the Support Group has expanded its role to include chores and maintenance work around the fire station. They recently repaired the roof of the hose shed that was partially blown off during a November storm.

The Support Group conducts training and information meetings on the first Saturday of every month at 10 a.m. at the Fire Station. The Support Group is MVFA's link with the MFPD because most of the MVFA board members are volunteer Support Group members, and we have a Support Group committee chairperson who gives monthly reports at MVFA meetings. Community members are welcome to become part of this group.

## **SCPOA**

By **Connell Persico**

We look forward to seeing you at our Annual Meeting on **Saturday, February 13, 2016**. The meeting will be held at the fire station beginning at 10:00 a.m. and will conclude with the announcement of the newly elected directors. This being my last Byte article, I want to express my thanks to those members who participated in both the board and committee meetings. We have discussed, argued, agreed and disagreed, and learned a lot from each other. That is a much better decision making process than members not having a voice.

We affirmed our support for our collections policy which was distributed to all members in the January packet. The Association continues to have members who both fail to pay their annual assessment or fail to make regular payments. Liens on their property and small claims court judgments continue to be part of our strategy. Those actions are only taken when a member fails to respond to attempts to get them to meet their responsibilities to their fellow members. As of December 31, 2015, we have 82 of the 630 property owners who owe some to all of the 2015-2016 assessment and of those, 34 owe for multiple years. The total outstanding is just under \$90,000.

Our new board will be discussing the pros and cons of hiring a collection agency to help recover these past due funds. To do so leads to significantly increased costs, through various fees, for those owing and not paying. Does increasing the cost of delinquency make it less likely the owner can pay what is owed? Or will additional fees and a third party collector lead to agreements to pay? Your opinion is important so let your directors know your thoughts.

I look forward to seeing you around our wonderful community. And I love seeing our lakes continue to rise. Let's hope the rain continues.

**The SCPOA meeting is Thursday, February 18<sup>th</sup>, at 7 p.m. at the Fire Station. You are welcome to participate!**

## **El Dorado County Community Programs**

By **Linda Heyart & Sharon Hern**

Thank you to Darcy Krieger for providing us with information on El Dorado County Programs to share with our community. Each month an article will highlight a different area of resources that are available in our county. This month, here are three web sites that you can access for information:

- [www.EDCGov.us/HumanServices](http://www.EDCGov.us/HumanServices) A global listing of services available in the El Dorado County
- [www.coveredca.com](http://www.coveredca.com) Apply for health insurance coverage including premium assistance/cost sharing health coverage and Medi-Cal
- [www.C4Yourself.com](http://www.C4Yourself.com) Apply for cash assistance, food/nutrition assistance and Medi-Cal

**JOIN US FOR BINGO at 7 p.m.  
on  
Friday, February 26<sup>th</sup>,  
at Mosquito General**

## **Birding at Finnon Lake**

By **Dave Angelo**

Here are the bird watching results from our Finnon Lake Bird Watch. Typically, bird watching takes place the second Saturday of the month, leaving from Mosquito General at 10 a.m. So, the next bird watch is **February 13<sup>th</sup>**, and interested community members are welcome. For more information, call Dee Taylor at 626-1196.

## **Crafters**

By **Sharon Hern**

**ATTENTION LADIES** – Our 2016 Crafting begins this month!! If you're a "crafter" or just one of us who can do simple (?) cut, paste/glue, paint, etc. jobs, you are encouraged to come join us at our Craft

Meeting. There's the fun of learning new crafts, meeting new friends, coffee, and goodies. Our first meeting of 2016 is **Friday, February 26<sup>th</sup>**, at 10 a.m.! This is our planning meeting where we set the dates for our Craft Sales this year and determine the projects that we will be working on.

Our craft meetings are generally held on the 4<sup>th</sup> Friday of each month from **10 a.m. to 12 p.m.** at the home of Darlene Rood, 2211 Swansboro Road. Hope to see you on **February 26<sup>th</sup>**!

### **Local Recycling Options for Difficult Items**

Here are a couple of local options to recycle those items you usually have to pay to dispose.

#### **Old appliances:**

Steve's Appliance ([530\)677-6429](tel:5306776429)    [http:// stevesapplianceeldorado.com/](http://stevesapplianceeldorado.com/)  
4257 Sunset Ln.  
Shingle Springs

**Tire Amnesty Days are back** on the 3rd Saturday of each month at the material recovery center, also known as the dump, 4100 Throwita Way in Placerville. This is for residents only and you may take up to 9 tires per trip, no large tires and they must be off rims. This will continue as long as the grant funds last, for information you can call (530)626-4141.

### **Support MVFA**

MVFA coffee mugs and grocery totes are still in stock and for sale. Coffee mugs are \$5.00 each and grocery totes are \$4.00 each. Extra savings on 2 or more items. Contact Dave Angelo at 621-3688.

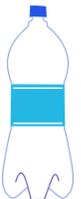

Also, Finnon Recreation passes for resident day use activities including swimming, fishing, boating and disc golf are now on sale for 2016 and beyond. The one year pass is \$50.00. The two year pass is \$75.00 and the 5 year pass is \$175.00. Passes are good for the entire family and one pass will cover up to 3 vehicles registered to the same address. Contact Dave Angelo at 621-3688.

## **WANTED!!!**

ALL CA CRV ALUMINUM CANS, BEER BOTTLES AND PLASTIC WATER BOTTLES. Please drop off bags from 8-5at the Fire Station. Please consider this option when you organize your recycled materials. (Wine bottles don't have CRV! We can't use them)

This is a very important fund raiser for the Mosquito Volunteer Fire Association so MVFA THANKS YOU

### **CLASSIFIED ADS**
