ADDRESS: [REDACTED]  
Palatine, Illinois 60087  
DATE OF BIRTH: July 10, 1975  
AGE: 17  
SEX: Female  
CLINICIAN: Venkata Devabhaktuni, M.D.  
REFERRED BY: Dr. Robert Pasen  
DATE OF REPORT: September 19, 1992

SOURCES OF INFORMATION FOR SOCIAL HISTORY

This Social History contains information primarily derived from a computer-administered questionnaire. There were two respondents to the computerized interview. The primary respondent was [REDACTED] Lockett, the patient's mother. The secondary respondent was [REDACTED] Lockett, the patient's father. Throughout the report, [REDACTED] Mother Lockett will be referred to as the respondent. However, the reader should be mindful that [REDACTED] Lockett collaborated in responding to the ACASH questions. *Father*

REASON FOR REFERRAL AND IDENTIFYING INFORMATION

Anne Lockett was referred to Forest Hospital for an inpatient psychiatric hospitalization by Dr. Robert Pasen. She was referred principally as a result of concerns surrounding substance abuse. Specific concerns have included depression and suicidal attempts. Ms. Lockett indicated that difficulties have become manifest at home, at school, and in the community.

The patient is a white female with a light complexion, green eyes and long straight brown hair. She is approximately 5 feet, 4
