

AFFIDAVIT

I, Leslie LOWES being first duly sworn under oath depose and state that the foregoing is true and correct and made upon my personal knowledge and I am competent to testify thereto.

KATHY MELBY CONTACTED ME WHILE I WAS AT WORK ONE day and ASKED ME TO COME & help her pick up Jim's truck. I agreed to help her do this. I met her at her home. & we drove in my vehicle to an old gas or service station - I cant remember if at the time it was still a gas station or not it has been a long time; some place between 91st & 106th Street on Michigan Rd just north of 465 to pick it up I ASKED KATHY when I dropped her off, why we needed to pick it up and she said she was worried that someone might steal his tools out of his truck if we left it there. I had no worries with this explanation because I didnt want to take a chance on Jim's tools being stolen. Kathy got out & got into Jim's truck & I left & went home.
