He states that Todd handed him the gun and told John Simonek to go shoot the other two people. John Simonek states he argued with Todd, saying he didn't want to do it, but Todd made me anyways. John Simonek states he shot a bullet at the fryer hood that was located at the rear of the kitchen. The fryer hood looked like silver sheet metal. John Simonek states that Todd and himself walked over to the other freezer and Todd opened the freezer door. John Simonek states that Todd tells him to shoot the other people. John Simonek states the next thing he remembers is shooting the gun at a person. John Simonek states he shot the guy. John Simonek states he points the gun at another person inside the freezer. John Simonek states he can't see clearly inside because hanging in the doorway are plastic strips. John Simonek states that he shoots the gun through the plastic strips at the other person. John Simonek states that Todd and himself carried the body of the guy he shot outside the freezer into the freezer. Todd lifted the body by the arms and hands and John Simonek lifted the body by the feet. John Simonek states that Todd walked into the freezer first carrying the body while John Simonek
