The Christmas Decorating Committee is looking for new members to help prepare for the Birth of Christ. What does the Church teach about saints? How does one become a saint? Join us for an inspirational evening of saints, miracles, healings, and fellowship. This night is for everyone, especially for young families. It will raise awareness of the importance of being a true disciple for Christ our King. There will be a witness to the life of a man in our diocese who is being investigated by the Church for sainthood. A "common man's saint". If your life is too busy with work, worry, bills, children's activities, or suffering, and you feel like being a "good Catholic" is too hard, this night could change your life.

**Dear Parishioners:** Veteran's Day was November 11th. May God bless with peace all who have served, those who have sacrificed, and protect all who are serving in our armed forces today.

The Gospel for this Sunday is the parable of the talents. Jesus tells of a man who goes on a journey and entrusts his money to his servants to care for while he is away. One servant given five talents made another five. Another servant given two talents made another two. The final servant buried a talent out of fear. We are called to use, develop, and share the gifts God has given us. When encountering fear, pray for courage and strength. God is at work in all who believe.

Students, families, and teachers who represent Bishop Baraga Catholic School express appreciation for our support of the playground fund raising effort, use of Scrip, and the recent Book Fair. We will explore more ways to showcase our students and school.

Thanksgiving Day is a national annual holiday celebrating the harvest of God's blessings. Catholics gather for the Eucharist, a celebration whose name means to give thanks. Mass on Thursday, November 26th will be at 8:00 am.

Faithful Generosity Grows in Catholic Ministry. This is the theme of the UP Catholic Foundation Annual Report for 2025-2026, copies of which are available in Church. Please take time to read the well assembled report, and the many ways that people benefit from the active Catholic ministries across the Upper Peninsula.

Sincerely in Christ, **Fr. Greg**
