Priests for Life along with many other pro-life groups urges believers to celebrate March 25 as the **Day of the unborn Child**. Observed around the world, this day, exactly nine months before Christmas, invites us to focus on the baby in the womb and reminds us that Jesus was once an unborn child Himself. Pray for the legal protection of unborn children & for loving support for their mothers before & after their births.

**ANNUAL CARMELITE PANTRY SHOWER**

### Marquette Method of Natural Family Planning

Natural Family Planning (NFP) is a method of fertility awareness that looks at a woman's cycle as a natural process and an important marker of health. NFP has no side effects and it's safe for the environment. The Marquette Model brings 21<sup>st</sup> century technology to NFP. The Catholic Church supports NFP because it supports God's design for marriage, and it reflects the dignity of human life within the context of marriage and family. If you are interested in learning more about NFP, please contact Nicole Phillips at [tphillips@chartermi.net](mailto:tphillips@chartermi.net) or 906-396-5811.

Please join us for Sole Core in the basement of American Martyrs' Church, Thursdays at 5:45 pm. If you have any questions, contact Kelly Bruns at 906-396-1885.
