Graduation Prayer

Loving God, we thank you for all who graduate this time of the year. You have blessed them during their years in school with wisdom, friendships, and skills. You continue to challenge them to make this world a better place because of their education. Help them to look forward to their next steps: continuing in their education or entering the work world. Particularly help those who are seeking employment to find a job suitable to their education. Give them faith and a sense of purpose in their next steps. Show them how to serve others in effective ways. And may they be always be aware in everything they do that they will find fulfillment in doing your will, that you will be with them always, and that you will bring to completion the good work you have begun in them. Amen.
