### **WHAT IS SACRAMENT OF CONFIRMATION**

Sacrament of *Confirmation* the faith given in Baptism is now confirmed and made strong. Sometimes, those who benefit from Confirmation are referred to as *soldiers of Christ*. This isn't a military designation but a spiritual duty to fight the war between good and evil, light and darkness — a war between the human race and all the powers of hell.

Confirmation means accepting responsibility for your faith and destiny. Childhood is a time when you're told what to do, and you react positively to reward and negatively to punishment. Adulthood, even young adulthood, means that you must do what's right on your own, not for the recognition or reward but merely because it's the right thing to do. The focus is on the Holy Spirit, who confirmed the apostles on Pentecost (Acts 2:1–4) and gave them courage to practice their faith. Catholics believe that the same Holy Spirit confirms Catholics during the Sacrament of Confirmation and gives them the same gifts and fruits.
