Priesthood Sunday

Priesthood Sunday falls on September 28th this year. It is a special day set aside to honor the Priesthood in the United States.

It's a day to reflect upon and affirm the role of the priesthood in the life of the Church as a central one; for without priests the Mass could not be offered, and the sacraments could not be celebrated.

This special day in the Church is also a reminder of the importance of praying daily for all priests, especially our own Father Greg. We thank him for all that he does for the souls of the people he serves.
