

Jurisdiction Notice

Prime FX CFD's (The "Company") Client application or website should not be considered as a solicitation or an offer to conduct investment business in the country you reside or apply from. The information contained in the Client application or on the Company's website is not guaranteed, is strictly for guidance only, subject to change without notice and should not be construed in any way as a recommendation or investment advice. Whilst we make every effort to ensure the accuracy of such information, we accept no liability for its accuracy or otherwise.

The Company accepts no responsibility for the accuracy or completeness of information provided by third parties, which have links to or from the Company's website.

In applying for an account, you may be subject to local legislation or regulations. It is therefore your sole responsibility to ensure that you understand and comply fully with any laws or regulations relevant to you in your own country prior to placing any trade with the Company. You should only proceed once you have ascertained that doing so will not result in such a violation. Trading with the Company or repeatedly accessing the Company's website will be regarded as confirmation that this is not the case in your own jurisdiction.

The information contained in the Company's website does not constitute a solicitation or offer to buy or sell any currencies or products referred to on this site, by any person residing in a jurisdiction where such solicitation or offer would be unlawful or where the person making such solicitation or offer is not qualified or legally capacitated to do so.

When buying or selling any investment whose price or value is subject to volatility and fluctuations, you may lose what you have invested and more. Note that past performance is not indicative of future results. The services and investments referred to in this website may not be suitable for all investors and before trading, you should seek independent advice from a qualified financial adviser. Spot foreign exchange ('Forex' or 'FX'), derivatives and CFDs are volatile instruments and in certain circumstances you may lose more than your initial investment. You should consult a financial adviser before trading.

The entire contents of the Client Account Application and the Company's website are subject to copyright protection and therefore should only be used for personal and non-commercial purposes and should not be re-produced in any way for commercial purposes without the prior and documented consent of the Company.
