

**GREENH@T
SOLUTIONS**

Your **SMALL** business is a **BIG** target for Cyber Attacks

70% of **cyberattacks** target small and mid-size businesses

67% of businesses say their organization needs to **improve security**

60% of small businesses **go out of business** after a cyber attack

\$25K is the **average cost** to restore normal operations after a cyber attack

What would that do to your business?
