

MT. MORIAH KIDZ

MT. MORIAH KIDZ happen to be some of the best kids on the face of the earth! They are bright, energetic youth with hearts filled with love and great hopes for their future. We count it a privilege to be a part of their lives and watch them grow from young saplings into beautiful oak trees with blessed and productive lives. Each one is doing well in their schooling and are passing their regularly scheduled exams. David Kuluba, a young college graduate and son of Mt. Moriah is the Children's/Youth Pastor who faithfully teaches them the Word of God and leads them in community and village activities where they impressively represent the Home. Special t-shirts with the name of the Home are worn by them as they sing, and give testimonies of God's goodness.

The Life of a Child...

One can only imagine the feeling of a little one who has unfortunately lost both parents and has no close relative such as a grandparent or aunt or uncle who is able to take them in and care for them as they need. Yet God. . . still has a wonderful plan for each little life. Some become teachers, and chefs and plumbers and electricians. Others own their own businesses and work in other trades. Some even become pastors and leaders in their community. God is SO good! We love Him for His great love. The parable of the lost lamb is the story of each of our children. What an awesome Shepherd!

We could not do what we do without your faithful, consistent giving. Thank you from the depths of our hearts. We are still taking in new true orphans as one older child ages out into adulthood and we will continue to do so as we grow forward. We are prayerfully considering the vision of what God has for the Home. The need never goes away. We are believing God for great provision to expand to be able to help care and train new young people in the ways of the Kingdom. Please pray for us concerning this vision. We are prayerfully considering when we will be able to travel to the Home. We have had some health challenges but are moving forward in victory and restored health. God orders our every step. Sometimes we forget that and take the burdens upon ourselves. Yet He never leaves us to ourselves. Lord, help us to remember that as we journey forward. Again, thank you for your faithful support! Blessings, Steve and Meredith Giles

There is so much beauty to be seen in the faces of our children.
