

Otium Privacy Policy

Effective July 4 2025

Otium (“we,” “us,” or “our”) is committed to protecting your privacy. This Privacy Policy explains how we collect, use and safeguard your information when you access our website or use the Otium platform during its beta phase.

By using Otium, you agree to the practices described below.

1. What Information We Collect

We may collect the following types of information:

a. Information You Provide Voluntarily

- Email address (e.g., when joining the waitlist or providing feedback)
- Feedback and survey responses
- Optional location (e.g., city or ZIP code) if shared by you

b. Automatically Collected Information

- Device type, browser, and operating system
 - Pages visited and actions taken on the site
 - Date and time of access
 - General geographic location (city or region, not precise GPS)
-

2. How We Use Your Information

We use the information we collect to:

- Improve the Otium platform and user experience
- Respond to feedback and suggestions
- Communicate with you (e.g., product updates or beta announcements)
- Analyze usage patterns to identify trends and bugs

We do not sell your personal data.

3. How We Share Information

We may share anonymized, aggregated data with partners or service providers to help us analyze and improve the product.

We do **not** share your personal information with third parties for marketing purposes.

4. Cookies and Analytics

We may use cookies or similar technologies to track usage and improve functionality. You can adjust your browser settings to disable cookies if you prefer, though the site may not work optimally.

5. Your Rights and Choices

You may:

- Request access to your data

- Request deletion of your data
- Unsubscribe from communications at any time

To make a request, contact us at emma@otium.ai.

6. Data Retention

We keep your information only as long as needed for the purposes described in this policy, or as required by law.

7. Security

We use standard security measures to protect your information. However, no online platform is completely secure, so please use at your own discretion during this beta period.

8. Children's Privacy

Otium is not intended for children under 13. We do not knowingly collect personal data from children.

9. Changes to This Policy

We may update this Privacy Policy from time to time. If we make changes, we'll post the updated version here and update the "Effective Date" at the top of this page.
