

# Making Healthcare Less Scary for Kids - One Story at a Time!

Created by pediatric nurse practitioner Daniel Davis, DNP, CPNP-AC, the Flippy the Penguin series helps children feel prepared and brave during doctor and hospital visits. Each story blends gentle reassurance with real medical knowledge to reduce fear and build confidence.

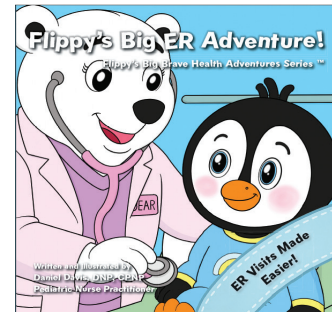

## Flippy's Big Brave Health Adventures Series™

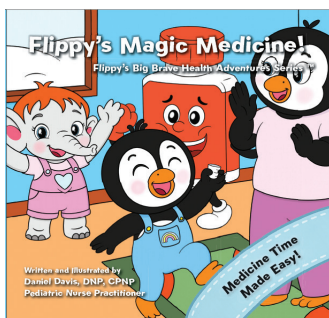

Eases fear of doctor visits!

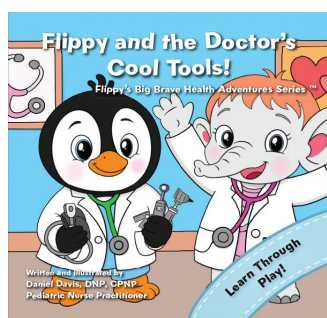

Bravery for vaccine time!

Preparation for an ER visit!

Helps kids take medicine!

Stethoscopes and more!

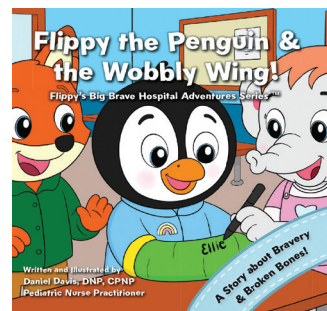

### Flippy's Big Brave Health Adventures Series -

Stories that ease anxiety around doctor visits, shots, and checkups, helping kids feel calm and confident.

## Flippy's Big Brave Hospital Adventures Series™

X-rays, CTs, MRIs, & more!

Comfort for broken bones!

### Flippy's Big Brave Hospital Adventures Series -

Comforting stories that prepare children for hospital experiences like X-rays, casts, and treatments.
