This Book is Dedicated to my Family

Flippy and **Ellie**
were at school one day,
When everyone turned
to hear **Ms. Alba** say,
“Today we have a special treat,
Two doctor friends
you’re about to meet!”

**Everyone wondered
what was in store,
Then **Dr Bear** and **Dr Owl**
burst through the door!**

**“We’ve got something
we think you’ll like to do,
Learn about machines
that doctors use
to peek inside you!”**

**“X-rays and more,
some big and some small,
We will talk about each one...
but that’s not all!”**

**Into the classroom
they brought a very big box,
“There’s something inside,
maybe a penguin or a fox?”**

**How will they find out?
Oh how they wished they knew.
“You’re going to use the machines,
like doctors do!”**

**“With each type of machine,
you will get a new clue,
And then to solve the mystery,
we need YOU!”**

**Thank you for previewing our
Flippy the Penguin series!**

**Our mission is simple...to help children feel calm,
brave, and informed during real medical experiences.**

**Hospitals and clinics across the country can use
Flippy books to:**

- **Reduce anxiety**
- **Build trust with families**
- **Support child-friendly care**

**We would be honored to support your
patients and families.**

**Let's make medical visits a little less scary —
together!**
