

First Rate Curriculum

Students at our school are smart, thoughtful, and invested in their education. Our teachers work hard to give our students an engaging environment in which to excel. Whether they're part of a discussion-based anatomy lesson or a hands-on laser treatment, our students and staff keep pushing to succeed! Small class size allows for individualized attention.

Our Medical Director

Todd Howell MD

Dr. Howell, a nationally recognized cosmetic physician, founded the Aesthetic Medicine and Anti-Aging Clinics of Louisiana which has become a national award winning practice and leader in the aesthetic industry. He has been in the aesthetic industry for almost 15 years, and his vast medical and aesthetic knowledge has provided him with the reputation of being one of the nation's leading aesthetic physicians. His lifelong commitment to the education for upcoming medical providers was the catalyst for the creation of the **National Aesthetic Laser Institute.**

Comprehensive Laser Course

Our 112 hour course will provide the student with the knowledge, experience, and certification to be able to proficiently use Cosmetic Lasers in an Aesthetic Setting.

The course is designed to teach individuals of all levels of education regardless of experience.

Scheduled conveniently on Fridays, Saturdays and Sundays to allow you to work during the week while enhancing your career.

Upon graduation, you will be certified in:

- Laser Hair Removal ·Tattoo Removal ·
- BBL/IPL · Profractional Skin Resurfacing ·
- Toenail Fungus Removal · Velashape III ·
- Laser Skin Tightening · Mico Laser Peel ·
- Sublative · Laser Vein Removal ·
- Picoway Skin Rejuvenation

Our Vision

Our vision is to spread our award winning knowledge and expertise in the industry to eager and prosperous students. Our comprehensive laser course will provide our students with all of the tools and confidence necessary for their future careers in the aesthetic laser industry. Our students will also be trained at the highest level of marketing and self promotion to insure they have all of the skills necessary to exceed all expectations and goals in their future careers.

Dedicated Educators

We know that learning is easier when you have an excellent teacher. That's why most of our educators have achieved an advanced degree in their field. Our faculty are passionate about the subjects they teach and bring this enthusiasm into their lessons.

Our Facility

Our state of the art facility is associated with The Aesthetic Medicine & Anti-Aging Clinics of Louisiana, and is conveniently located in central Baton Rouge, Louisiana. This provides students with the opportunity to study and train in a thriving Aesthetic Medical Practice.
