## SURGICAL CONSENT \& AUTHORIZATION for Lateral Suture \& MPL Surgery

Date: $\qquad$ Referring Hospital:

Pet's name: $\qquad$ Client's name:

Pet's DOB: $\qquad$ Breed: $\qquad$ Sex: Male Female Altered: Yes No This document acknowledges that I have been informed by Dr. that my pet is suspected to have a cranial cruciate ligament rupture (CCLR) and medially luxating patella (MPL). I have been informed of the treatment options, including surgery.
$\qquad$ I elect and consent for MPL corrective surgery and Lateral Suture Stabilization (extracapsular) surgery to be performed on my dog by Dr Jennifer Hoch, DACVS.
$\qquad$ I understand surgery will be on the: (Circle \& initial) RIGHT $\qquad$ LEFT $\qquad$
$\qquad$ I understand the risks associated with this procedure that include anesthetic risk, hemorrhage, nerve damage, infection, implant failure, delayed healing, reluxation of the patella $\&$ very rarely death.
$\qquad$ I understand that the surgical success rate with Lateral Suture is reported for 80$95 \%$ of pets having a good to excellent long term outcome. If implant failure/loosening or infection occurs, recovery can be delayed and the need for implant removal surgery may be necessary (at additional cost). I understand that no guarantees can be given.
$\qquad$ I understand that the surgical success rate with MPL surgery for Grade 2-3 is reported for $90-95 \%$ of dogs and cats having a good to excellent long term outcome. Complications can occur in up to $10 \%$ of cases and may include reluxation of the patella (coming out of place again) and pin loosening (requiring pin removal in the future). Grade 4 MPL have a higher complication rate of $30 \%$, including reluxation and the need for another surgery.
$\qquad$ I understand that successful outcomes require proper home care and restrictions. the opposite leg.
$\qquad$ I understand that my pet will be administered Nocita (local anesthetic lasting up to 72 hours) for additional pain control.
$\qquad$ I consent for photographs and videos to be obtained of my pet for use by MVSS for case presentations, monitoring, and/or website or social media.

I hereby grant permission for my pet to have surgery by Dr Jennifer Hoch.
$\qquad$ Temp: $\qquad$ HR: $\qquad$ RR: $\qquad$ Confirm Leg: Circle One LEFT RIGHT

## OPTIONAL LICK SLEEVE ORDER

Date: $\qquad$ Referring Hospital/Doctor: $\qquad$
Pet's name: $\qquad$ Client's name: $\qquad$
$\qquad$ This document acknowledges that I have been informed that my pet is not permitted to lick or chew at the surgical incision. I have been informed of the treatment options, Lick Sleeve and Elizabethan collar (E-collar or "cone of shame").
$\qquad$ The Lick Sleeve is an optional alternative to cover and protect the incision when the pet is supervised.
$\qquad$ The incision should still be monitored at least once per day.

## $\qquad$ I CHOOSE TO PURCHASE THE LICK SLEEVE FOR MY PET FOR AN ADDITIONAL

 \$100.$\qquad$ I DECLINE TO PURCHASE THE LICK SLEEVE FOR MY PET
